

Sichuan Earthquake One Year Report

UNICEF China

Erratum

- Page 34: The second sentence should read: "The earthquake damaged or destroyed 12,000 school buildings in Sichuan Province and 6,500 school buildings in Gansu Province, disrupting the education of some 2.5 million children."
- Page 35: The fourth sentence should read: "UNICEF subsequently delivered additional educational supplies, teaching aids, sports equipment, and library books to severely-affected areas of Sichuan and Gansu Provinces, benefiting 220,000 students."
