

Kujikinga na Mafua makali ya Ndege

*Mafua makali ya ndege yanaweza kumpata binadamu na
kumfanya akawa mgonjwa na hata kufa*

Ili kujikinga na mafua makali ya ndege:

**Wazuie watoto kucheza au kukaribia kuku,
bata au ndege, au kushika kinyesi chao.**

**Wizara ya
Maendeleo ya Mifugo**
