Dear Sir,

I really want to thank you for giving me that wonderful experience. It was a great moment to see so many distinguished guests. I will not forget that moment when I walked out on that luscious green field. Cricket is my favourite sport. I always wanted to meet the players of West Indies Team. I always wanted to see Brian Lara. Even though I did not get to with him. But seeing him in person was the happiest moment in my life. I marched with Canadian Captain. He was very nice and he spoke to me a lot. I even got to see some of Jamaica's greatest artistes including Shaggy and Sean Paul. Thank you Madam. You made me very very proud and happy.

Yours respectfully,
Sydney Colvert

Dear Sir,

The 11th of March was one of the happiest day of my life. It was my birthday and it was the day I went to I.C.C world cup Cricket 2007.

I am very happy to be one of the Members who escorted the teams for the Ceremony. I escorted the Bermudian team. They sang Happy Birthday to me and took my picture - I was very lucky on that day.

I thank you all for that memorable day

yours respectfully,
Brandon Edwards.
