

**Every minute
of every day,
one child gets infected
with HIV and
one child dies of AIDS.**

To this end, eclipse celebrates 10 years of allure in aid of UNICEF Malaysia's "Unite for Children, Unite against AIDS" campaign.

From now through 30 November 2006, all proceeds from the limited edition "Designed for eclipse – Designers Unite for UNICEF" collection by renowned designers - Tom Abang Saufi, Khoon Hooi and Gillian Hung will go towards UNICEF Malaysia.

Unite with us to protect the children against HIV/AIDS.
You can help make a difference.
