The top five government donors to UNICEF in 2008 were USA, UK, Norway, Netherlands and Sweden, same as in 2007. Government donors have increased their RR contributions compared to 2007 by 14% (2008 total is US\$616 million). Other resources regular (ORR) contributions from government donors have increased from US\$905 million in 2007 to US\$966 million in 2008 (or 7%).

Note: Includes only Government donors.

*Contribution received from African Development Bank through agreement with the government of Côte d'Ivoire
