

# THE STATE OF THE WORLD'S CHILDREN 2003

For every child  
Health, Education, Equality, Protection  
ADVANCE HUMANITY

unicef 

“If we are to meet the goals of ‘A World Fit for Children’ and attain the Millennium Development Goals, if we are to change this divided, damaged, conflict-ridden world by advancing the practice of democracy, if we are to make the world truly fit for all people – we will only do so with the full participation of children and young people.”

Carol Bellamy  
Executive Director  
United Nations Children’s Fund
