

Go Girls! Profiles
ZAMBIA - ANGELA
Produced by : UNICEF
Duration : 90 Seconds

Hello. My name is Angela Mwila and I'm 12 years old.

And this is my family. I live in Zambia.

There are seven in my family. It's a very nice here.

It takes an hour to walk to school and an hour to walk back.

My favourite teacher is Mrs. Nsululu because she teaches very well. If I don't understand, she repeats the lesson.

I want to learn so I can get a job when I grow up.

When I first came to school, I was scared.

But when I made some friends I became more confident. I like school now.

I have friends who don't go to school but they're not able to read.

Children in Zambia need to be educated.

We need to know more.

I want to be a teacher so I can teach other children and my own.
