

Guidance for filling the questionnaire – Priority Medicines for mothers and children

The purpose of collecting data from manufacturers is to identify sources, indicative prices and registration data for selected medicines for mothers and children.

Reference:

WHO Model Formulary for children 2010 http://www.who.int/selection_medicines/list/en/

WHO Priority Medicines for mothers and children

http://www.who.int/medicines/publications/emp_mar2011.1/en/index.html

We look forward to receiving your input by Wednesday, 23rd of November 2011.

For more information and to download the questionnaire visit UNICEF Supply Division Website:
