Notes:

- The above represents the total projected quantities and weighted average prices for 2005 per product presentation.
- Contracted quantities represent the aggregated forecast, based on country forecast for routine and country and global forecasts for accelerated disease control initiatives.
- With the exception of DTP+ Hib, the above pricing includes vaccine vial monitors.
- Due to varying price ranges within each presentation, the price indicated will not reflect actual price. UNICEF country offices are requested to contact Supply Division for specific budget request needs.
- Projected quantities adjusted throughout the year, subject to change in country need and forecasts.
- Vaccines noted with an asterisk include quantities that are procured on behalf of GAVI/VF.
