

Cold Chain Unit  
**TENTATIVE BID PLAN 2023**

08 May 2023

NOTE TO ALL SUPPLIERS

UNICEF Supply Division, Cold Chain Unit, procures Cold Chain Equipment for the safe transport and storage of vaccines. This bid plan lists Cold Chain items that are foreseen to be requested in a tender during 2023 for delivery of goods and services to directly to UNICEF supported countries.

This document is the Bid Plan for the establishment and renewal of Long-Term Arrangements expiring in 2023 and early 2024.

Important:

- a) The bid plan is only indicative and may vary from the actual bidding exercise.
- b) UNICEF Supply Division will decide whether to tender for these requirements through a Request for Expression of Interest, Request for Quotation, Invitation to Bid or Request for Proposal.
- c) It is UNICEF's prerogative to establish whether any such bidding exercise is to be advertised in the UNICEF Supply Division website.
- d) UNICEF reserves the right to accept or reject any Expression of Interest, to initiate or annul any tender exercise at any time, without thereby incurring any liability to the affected Suppliers/Manufacturers or any obligation to inform the affected Suppliers/Manufacturers of the grounds for UNICEF's action.
- e) Suppliers/Manufacturers should indicate which products they are interested to quote, by email to [sd.coldchain@unicef.org](mailto:sd.coldchain@unicef.org) with clear reference to item code(s) and specification.
- f) Product specifications may be available on the UNICEF online catalogue at <https://supply.unicef.org/>

**Pre-Qualification of product with WHO:** Potential bidders should note that many of cold chain products UNICEF requests may be subject to WHO pre-qualification. Interested suppliers should therefore take timely action to conclude the pre-qualification process with WHO, in order to have an eligible product available to be offered to UNICEF.
