

**Réunion technique préparatoire de l'Afrique pour le 3e Congrès mondial contre l'exploitation sexuelle des enfants et des adolescents**

Dakar - 24-25 Septembre 2008

**Africa Technical Preparatory Meeting for the World Congress III against Sexual Exploitation of Children and Adolescents**

## Agenda

### Meeting objectives

- Exchange effective approaches to combating sexual exploitation of children in Africa
- Increase the knowledge and evidence on forms and causes of sexual exploitation and abuse of children
- Better understand social norms related to sexuality, gender and childhood/generation and its impact on sexual exploitation and abuse of children in Africa
- Discuss mechanisms to identify, document, and share effective intersectoral approaches to prevent and respond to sexual abuse and exploitation of children – including in conflict and post-conflict situations
- Support the active participation of a key number of African children and young people in the Africa Technical Preparatory Meeting and in preparations for the World Congress III

### Expected Outcomes

- Identification of effective approaches and promising practices in combating the sexual exploitation and abuse of children in different parts of Africa. Identification of mechanisms to facilitate the exchange of experiences across the continent
- Key areas identified for follow-up in Africa in regard to the themes discussed during the meeting
- Identification of targets and time-bound goals for Africa to be presented at the World Congress III

## Day 1: Wednesday, 24 September 2008

8:00-9:00 Registration of participants

| PLENARY SESSION – Room BC12                             |                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                     |
