

Summary Results Matrix: Government of Maldives – UNICEF Country Programme, 2011 – 2015

Millennium Development Goals/Millennium Declaration Commitments/CRC Articles:

Supports contribution to all MDGs

National Development Priorities:

- Strengthen health promotion, protection and advocacy for health public policies; enhance response of health systems
- Establish a social floor (minimum social protection), to lay down the foundation of a system that is preventive (against poverty shocks), promotive (expand opportunities) and transformative.
- Protect and preserve the natural environment to ensure prosperous economic development and healthy communities; reduce green house gas emissions and achieve carbon neutrality; promote renewable energy technology applications; build institutional framework for DRR and climate change adaptation.
- Full independence of judiciary and independent institutions, improve access to justice and promote rule of law, protection and promote rights of citizens, improve confidence in justice system.

UNDAF Outcomes Programme Component Contributes to: *Outcome 4:* Social security floor implemented as part of the national social security strategy to provide vulnerable and socially excluded groups with systematic access to social security; *Outcome 10:* Increased transparency and accountability of public institutions, with emphasis on decentralized bodies; *Outcome 12:* Culture of respect for human rights advocated, fulfilled, protected and fostered at all levels; *Outcome 13:* Civil society is active and thriving, *Outcome 14:* Institutional capacity strengthened and framework in place to coordinate and plan national development at local and national levels; *Outcome 15:* Improved individual, institutional and systemic capacities to promote gender equality and non-discrimination, and to empower women and girls to enjoy their rights in all spheres of life, in line with national commitments by 2015.

Programme Component/ UNICEF MTSP Focus Area	Programme Component Results	Key Progress Indicators Baselines and Targets	Means of Verification	Major Partners
1. Policy Advocacy and Research (FAs 1, 2, 3, 4, & 5)	<p>1. By 2015, Children enjoy the benefits of improved child rights legislation, policies, regulations and plans and contribute to legislative processes.</p> <p>2. By 2015, disaggregated data and information that contribute to realisation of child's rights is accessible, analyzed and used.</p>	<p>1.1. Number of child rights-related Acts/regulations ratified: (<i>Social Protection Act, Public Health Act, National Water Act, Education Act, Children's Act, Juvenile Justice Regulations, Disability Act Regulations</i>) B=1, T=7</p> <p>1.2 DRR Strategic National Plan: B=Exists, T=Implemented</p> <p>1.3 Mechanisms for child and caregivers participation. B=0, T=Established</p> <p>2.1. National M&E Framework: B=N/A, T=Established</p> <p>2.2. MaldivInfo: B=Exists, T=Regularly updated</p> <p>2.3. Situation of Children and women (SITAN): B=Available, T=Updated</p>	<p>Annual Reports from Parliament, MoHF, MoE, MHTE, NDMC, UNDP</p> <p>Annual Reports from DNP, UNICEF</p>	<p>MoE, MoHF, MoFT, MHTE, NDMC, UNDP, UNEP</p> <p>DNP, MoE, MoHF, MoFT, MHTE,</p>

Millennium Development Goals/Millennium Declaration Commitments/CRC Articles:

Programme Component Contributes to: MDG1: Eradicate extreme poverty and hunger, MDG2: Achieve Universal Primary Education, MDG 4: Reduce Child Mortality, MDG 5: Improve Maternal Health, MDG 6: Combat HIV/AIDS, malaria & other diseases, MDG 7 Ensure Environmental Sustainability
