

## Costed evaluation plan – Bangladesh – UNICEF country programme of cooperation, 2017–2020

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised Evaluation Policy ([E/ICEF/2013/14](#)).

<i>Evaluation title</i>	<i>UNDAF (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR), Other resources (OR)) in United States dollars</i>
Evaluation of the education programme	Develop and implement improved social policies and programmes that focus on good governance, the reduction of structural inequalities and the advancement of vulnerable individuals and groups.	Outcome 5: Improved learning outcomes and equitable and inclusive education	Expenditure reached \$10 million (since last evaluation took place).	Inform decisions on policy and programme implementation. The evaluation will identify the strengths and weaknesses of the programme to inform programmatic adjustments and define the future support of UNICEF to the education sector.	June 2017	100,000 (RR)
Evaluation of programmatic interventions to end child marriage	Covering all United Nations Development Assistance Framework (UNDAF) outcomes	Covering all Strategic Plan outcomes	Examine in terms of replication/scale-up of successful initiatives.	Inform decisions on programmatic adjustments required for future child marriage programmes. The evaluation will identify the strengths and weaknesses of the programme to end child marriage.	June 2017	150,000 (OR)
Evaluation of the health programme, with a focus on the relevance, effectiveness and efficiency of the implementation strategies and the scalability of interventions in the Bangladesh context	Develop and implement improved social policies and programmes that focus on good governance, the reduction of structural inequalities and the advancement of vulnerable individuals and groups.	Outcome 1: Improved and equitable use of high-impact maternal, newborn and child health interventions, from pregnancy to adolescence, and the promotion of healthy behaviours	Long period of unevaluated programme implementation	Inform decisions on policy and programme implementation. The evaluation will identify the strengths and weaknesses of the programme to inform programmatic adjustments and define the future support of UNICEF to the health sector.	January 2018	100,000 (RR)

Evaluation of the 2017-20 country programme, with a focus on the integration of cross-cutting issues (e.g., urbanization, climate change, disabilities and cross-sectoral collaboration)	Covering all UNDAF outcomes	Covering all UNICEF Strategic Plan outcomes	Examine in terms of the replication/scale-up of successful initiatives.	Inform the development of the next country programme and support advocacy efforts for the scale-up and replication of interventions.	January 2019	150,000 (RR)
Evaluation of the nutrition programme	Develop and implement improved social policies and programmes that focus on good governance, the reduction of structural inequalities and the advancement of vulnerable individuals and groups.	Outcome 4: Improved and equitable use of nutritional support and improved nutrition and care practices	Long period of unevaluated programme implementation	Inform decisions on policy and programme implementation. The evaluation will identify the strengths and weaknesses of the programme, including decentralized approaches, to inform programmatic adjustments and define the future support of UNICEF to the nutrition sector.	June 2019	100,000 (RR)
