

Costed evaluation plan – Uruguay – UNICEF country programme of cooperation, 2016–2020

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised [Evaluation Policy \(E/ICEF/2013/14\)](#).

Evaluation title	UNDAF (or equivalent) outcome	UNICEF Strategic Plan outcome	Criteria used for selection	Intended use of evaluation findings	Expected start date	Anticipated cost and provisional source of funding: regular resources (RR) or other resources (OR)
Evaluation of the Children and Family Care Centres	2.2. Public policies to develop human capabilities (especially policies in early childhood, health, nutrition and education) have been strengthened.	1. Health	Major evaluation focused on improving effectiveness of this programme.	The evaluation will contribute to informed decision-making on policies, development and organizational effectiveness and improve programme design.	2016	\$65,000
Evaluation of programmes aiming to reduce dropout in secondary education.	2.2. Public policies to develop human capabilities (especially policies in early childhood, health, nutrition and education) have been strengthened.	5. Education	Major evaluation focused on improving programme effectiveness and scaling up the programmes.	The evaluation will be used to inform decision-making process, in particular to improve effectiveness and to scale up interventions to reduce dropout.	2017	\$60,000
Evaluation of the implementation of new models on family-based alternative care for children without parental care.	3.3. Institutional capacities of governmental bodies and civil society organizations devoted to promoting and monitoring human rights fulfilment have been strengthened.	6. Child Protection	Major evaluation focused on programme replication.	This evaluation will contribute to advocacy for the increased adoption of family-based programmes (and consequently the reduction of institutionalization of children).	2018	\$50,000
Evaluation of effectiveness of the new programme of alternative measures for adolescents in conflict with the law.	3.3. Institutional capacities of governmental bodies and civil society organizations devoted to promoting and monitoring human rights fulfilment have been strengthened.	6. Child Protection	Major evaluation focused on programme replication.	This evaluation will be used to inform decision-making processes aimed at increasing the adoption of alternative measures to detention.	2017	\$50,000
