Child Safeguarding

- Protection from maltreatment, impairment of health or development, and facilitation of best outcomes for them
- Review of direct and indirect impact of all of UNICEF's work and staff (not only outward-facing Child Protection work)
- Protection from sexual abuse is one safeguarding concern

Policy commitment, implementation

- Child Safeguarding Policy (2016) – clear commitment
- Harmonization, finalization of operational guidance
 - Standards of conduct (staff, partners, suppliers)
 - Vetting
 - Guidance, training
 - Harmonization with relevant PSEA mechanisms
- Child Safeguarding Unit (2018), Senior Advisor (2019-) – embedded in Office of Executive Director
- Dialogue with members on best practices welcome
