

Costed evaluation plan – Namibia – UNICEF country programme of cooperation, 2019–2023

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Development Assistance Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome¹</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)), in United States dollars</i>
Evaluation of the European Union/UNICEF-supported programme on integrated early childhood development in Namibia	<p>By 2023, most vulnerable women, children, adolescents and young people in Namibia have access to and utilize quality integrated health care and nutrition services</p> <p>By 2023, the most vulnerable children and young people in Namibia have equitable access to quality education and lifelong learning</p> <p>By 2023, the most vulnerable women and children are empowered and protected against violence, abuse, neglect and exploitation</p>	Outcome statements 1–5	Major evaluation focused on programme replication or scale-up	Inform decision-making on integrated early childhood development, programme effectiveness and for programme design and scale-up.	February 2023	60 000 (OR)

¹ Outcome statement 1: Girls and boys, especially those that are marginalized and those living in humanitarian conditions, have access to high-impact health, nutrition, HIV and ECD interventions from pregnancy to adolescence.

Outcome statement 2: Girls and boys, in particular the most marginalized and those affected by humanitarian situations, are provided with inclusive and equitable quality education and learning opportunities.

Outcome statement 3: Girls and boys, especially the most vulnerable and those affected by humanitarian situations, are protected from all forms of violence, exploitation, abuse and harmful practices.

Outcome statement 4: Sustained use of safe water and sanitation services, and adoption of hygiene practices and strengthened systems for a clean and safe environment for all children, women, girls and boys, particularly the most disadvantaged and those affected by humanitarian situations

Outcome statement 5: Girls and boys are provided with an equitable chance in life.

<i>Evaluation title</i>	<i>United Nations Development Assistance Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome¹</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)), in United States dollars</i>
