

Costed evaluation plan – Nicaragua – UNICEF country programme of cooperation, 2019–2023

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Development Assistance Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)) in United States dollars</i>
Evaluation of the communications strategy for social and behaviour change to reduce violence and sexual abuse	Not applicable	Girls and boys, especially the most vulnerable and those affected by humanitarian situations, are protected from all forms of violence, exploitation, abuse and harmful practices.	Replicate the programme at scale.	Inform decision-making on the programme design by evaluating the effectiveness of strategies based on social and behaviour change and thus improve UNICEF accountability with key actors.	2021	50 000 RR 50 000 OR
Evaluation of the communications strategy for social and behaviour change for early childhood survival and integrated development	Not applicable	Girls and boys, especially those that are marginalized and those living in humanitarian conditions, have access to high-impact health, nutrition, HIV and early childhood development interventions from pregnancy to adolescence.	Replicate the programme at scale.	Inform decision-making on the implementation of early childhood measures by evaluating the effectiveness of strategies based on social and behaviour change and thus improve UNICEF accountability with key actors.	2022	50 000 RR
Joint evaluation of the UNICEF contribution to the national strategy for promoting coexistence based on respect and equality in schools, the family and the community	Not applicable	Girls and boys, in particular the most marginalized and those affected by humanitarian situations, are provided with inclusive and equitable quality education and learning opportunities. Girls and boys, especially the most vulnerable and those affected by humanitarian situations, are protected from all forms of violence, exploitation, abuse and harmful practices.	At present, this programme has a long implementation period and has been supported by UNICEF. It is therefore necessary to evaluate the programme.	Inform decision-making on policy design, evaluating the effectiveness of the strategy based on the theory of change, assumptions and risks.	2023	50 000 RR 50 000 OR
