

Costed evaluation plan – Togo – UNICEF country programme of cooperation, 2019–2023

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

| <i>Evaluation title</i> | <i>United Nations Development Assistance Framework (or equivalent) outcome</i> | <i>UNICEF Strategic Plan outcome</i> | <i>Criteria used for selection</i> | <i>Intended use of evaluation findings</i> | <i>Expected start date</i> | <i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)) in United States dollars</i> |
|--|---|---|---|---|----------------------------|--|
| Joint evaluation of the Muskoka Initiative, focused on maternal, neonatal, infant and adolescent health care and on gender-based violence. | Priority 2. Same as above outcome. | Goal area 1: Every child survives and thrives. Goal area 2: Every child learns. Goal area 3: Every child is protected from violence and exploitation. Goal area 5: Every child has an equitable chance in life. | A joint programming model involving the World Health Organization (WHO), United Nations Population Fund (UNFPA), the United Nations Entity for Gender Equality and the Empowerment of Women (UN-Women), UNICEF and the Government focusing on maternal, neonatal, infant and adolescent health care and on gender-based violence. | Production of evidence for the scaling-up of interventions with the support of other partners. Contribution to knowledge sharing and organizational learning from the interventions. | June 2019 | 100 000 (RR) |
| Evaluation of the Child Friendly Communities Initiative from its launch in 2019 to 2021. | Priority 2. The population of Togo, in particular children, women, adolescents, people with disabilities, the elderly, the poor and vulnerable groups, have greater and equitable access to social protection and quality basic social services, notably education, health care, water, hygiene and sanitation. | Goal area 1: Every child survives and thrives. Goal area 2: Every child learns. Goal area 3: Every child is protected from violence and exploitation. Goal area 4: Every child lives in a safe and clean environment. Goal area 5: Every child has an equitable chance in life. | Major evaluation focused on replication or scaling-up of the programme. | To provide all stakeholders involved in the midterm review of the country programme with an evaluation of the programme's relevance, performance, quality and sustainability, and the lessons learned, so that appropriate recommendations can be made for improvements and scaling-up. | May 2021 | 140 000 (OR) |

| <i>Evaluation title</i> | <i>United Nations Development Assistance Framework (or equivalent) outcome</i> | <i>UNICEF Strategic Plan outcome</i> | <i>Criteria used for selection</i> | <i>Intended use of evaluation findings</i> | <i>Expected start date</i> | <i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)) in United States dollars</i> |

| Overall evaluation of the country programme, 2019–2023. | <p>Priority 1. The Togolese population lives in a peaceful and democratic society, respectful of fundamental rights and guaranteeing equal access to quality public services and justice, thanks to: (a) modern, effective and accountable public institutions and administration; (b) dynamic and viable local councils; (c) transparent and inclusive electoral procedures; and (d) operational and credible conflict management mechanisms with increasing involvement of women, young people, children and persons with disabilities.</p> <p>Priority 2. Same as above.</p> <p>Priority 4. Vulnerable populations, in particular women and children, have greater resilience to climate change and the risks of disasters, and have equitable access to a decent standard of living and to sustainable natural and energy resources.</p> | <p>The eight change strategies (the HOW) for the achievement of results under the five goal areas:</p> <ol style="list-style-type: none"> 1. Programming for at-scale results for children; 2. Gender-responsive programming; 3. Winning support for the cause of children from decision makers and the wider public; 4. Develop and leverage resources and partnerships for children; 5. Harnessing the power of business and markets for children; 6. United Nations working together; 7. Fostering innovations in programming and advocacy processes and practices; 8. Harnessing the power of evidence as a driver of change for children. | Long programme implementation periods not evaluated (country programme, 2008–2013 and 2014–2018 not evaluated). | To evaluate the relevance, efficacy, efficiency, sustainability, coherence and impact of the country programme; highlight the progress achieved towards the outcomes of the 2019–2023 country programme; and provide lessons learned and recommendations and inform the midterm review of the country programme. The conclusions will be used to ensure that the programme is relevant and contributes to the outcomes of the National Development Plan, 2018–2022, the UNICEF Strategic Plan, 2018–2021, and the United Nations Development Assistance Framework (UNDAF), 2019–2023. | May 2021 | 200 000 (RR) |
| Evaluation of the implementation of the child protection system reform. | Priority 2. Same as above. | Goal area 3. Every child is protected from violence and exploitation. | Major evaluation focused on replication or scaling-up of the programme. | To evaluate implementation of the child protection system reform, in particular its “communities committed to child | May 2022 | 110 000 (OR) |

| | | | | well-being” facet, with a view to evaluating the relevance, efficiency, efficacy, sustainability, coherence and impact of a scaling-up and to inform national policy on child welfare. | | |
| Evaluation of implementation of participatory governance as part of the child-friendly schools model. | Priority 2. Same as above. | Goal area 2. Every child learns. | Major evaluation focused on the potential for replication or scaling-up of the programme. | To determine how participatory governance contributes to improving the quality of learning conditions and how it supports real improvement in access to school, in particular for girls and the most vulnerable children. The evaluation will provide the evidence necessary to support advocacy with a view to replication/scale-up of the participatory governance component of the model. | June 2022 | 60 000 (OR) |
| Evaluation of the UNDAF, 2019–2023, conducted jointly with UNDP and UN-Women. | Contribution to UNDAF: Priority 1. The Togolese population lives in a peaceful and democratic society, respectful of fundamental rights and guaranteeing equal access to quality public services and justice, thanks to: (a) modern, effective and accountable public institutions and administration; (b) dynamic and viable local councils; | Goal Area 1. Every child survives and thrives. Goal area 2. Every child learns. Goal area 3. Every child is protected from violence and exploitation. Goal area 4. Every child lives in a safe and clean | Take a decision to scale up based on the corroboration provided by the evaluation of the UNDAF United in Action programme. | The evidence produced serves to generate knowledge and lessons learned and will inform decision makers and stakeholders in the development of national policies and programme strategies. | February 2023 | 150 000 UNICEF 50 000 (RR) UNDP: 50 000 UNFPA: 50 000 |
