

Costed evaluation plan – Rwanda – UNICEF country programme of cooperation, 2018–2023

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised Evaluation Policy ([E/ICEF/2013/14](#)).

<i>Evaluation title</i>	<i>United Nations Development Assistance Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding: regular resources (RR), other resources (OR) in United States dollars</i>
Evaluation of the maternal, neonatal and child health mentorship programme in Rwanda	United Nations Development Assistance Plan (UNDAP II) 2018–2023 Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH [water, sanitation and hygiene] services.	Goal Area 1: Every child survives and thrives	- Evaluation of the programme for scale-up - More than \$10 million cumulative expenditure	Evaluation of the facility-based mentorship programme for maternal, newborn and child health in Rwanda. This evaluation will be undertaken by 2020, when the various mentorship programmes are sufficiently mature to be evaluated.	January 2022	200 000 (OR)
Evaluation of the hand-washing with soap programme	UNDAP Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH services.	Goal Area 4: Every child lives in a safe and clean environment	- Evaluation of the programme for scale-up - More than \$10 million cumulative expenditure	UNICEF will launch a major effort to improve hand-washing with soap in 2018. This evaluation will provide an understanding of the impact of the UNICEF-supported programme and contribute to the global evidence base, which currently has very little information on this issue.	January 2021	150 000 (OR)
Evaluation of pre-primary education programme	UNDAP Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH services.	Goal Area 2: Every child learns	- Evaluation of the programme for scale-up - More than \$10 million cumulative expenditure	Assess the efficiency and effectiveness of the pre-primary education programme design and strategy in addressing the existing bottlenecks. Contribute to the policy dialogue to boost coverage and outreach.	January 2019	200 000 (RR)
Evaluation of the integrated programme (nutrition; early childhood development; water, sanitation and hygiene;	UNDAP Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH services.	Goal Area 1: Every child survives and thrives	- Evaluation of the programme for scale-up - More than \$10 million cumulative expenditure	Assess the effectiveness and efficiency of the integrated programming approach towards stunting reduction. Generate lessons learned and inform	January 2020	400 000 (OR)

<i>Evaluation title</i>	<i>United Nations Development Assistance Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan outcome</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding: regular resources (RR), other resources (OR) in United States dollars</i>
social protection; education) for stunting reduction				decision-making for further scale-up of the programme.		
Evaluation of UNICEF-supported capacity-building interventions	UNDAP Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH services.	Goal Areas 1 to 5	- Cross-cutting evaluation that looks at an important programme strategy - More than \$10 million cumulative expenditure	Assess the effectiveness and efficiency of the UNICEF programming strategy, which includes capacity-building as one of its core components.	January 2021	250 000 (RR)
Government of Rwanda/UNICEF country programme (2018–2023) evaluation	UNDAP Outcome 1: By 2023, people in Rwanda, particularly the most vulnerable, enjoy increased and equitable access to quality education, health, nutrition and WASH services. UNDAP Outcome 3: By 2023, people in Rwanda live safe, dignified lives in a country governed by rule of law, gender-responsive accountable governance and inclusive participation.	Goal Areas 1 to 5	- Cross-cutting evaluation that looks at an important programme strategy - More than \$10 million cumulative expenditure	Assess the overall effectiveness and efficiency of UNICEF country programming.	January 2022	200 000 (RR)
Total						650 000 (RR) 750 000 (OR)
