Huila	27	64.6	13.3																																																		
Cordoba	28	112	15																																																		
Cauca	33	120.7	15																																																		

<sup>1</sup> These eleven priority departments were selected on the basis of the following criteria: (i) they display below-average performance in key social development and child rights indicators; (ii) violence due to illegal armed groups has had a significant impact on children and families currently living in these areas. The names of the departments are Guajira, Chocó, Córdoba, Cauca, Nariño, Magdalena, Antioquia, Amazonas, Boyacá, Bolívar and Huila.
