#### DevInfo operational in 2008

**Government:** Policy Analysis Unit (PAU), Department of State for Finance and Economic Affairs (DoSFEA), Strategy for Poverty Alleviation Co-ordinating Office (SPACO), Central Statistics Department (CSD), Women’s Bureau, University of The Gambia

**UN Agencies:** UNDP, UNFPA, WFP, WHO

**NGOs:** Pro-Poor Advocacy Group (Pro-PAG), CPA

**PRSP II:** Pillars 1-4

Creating an enabling policy environment for economic growth and poverty reduction

Improving productive capacity and social protection of the poor and vulnerable

Increasing coverage of basic social service needs of the poor and vulnerable

Building the capacity of Local communities and CSOs to play an effective role in the process of poverty reduction

#### UNDAF expected outcome: 1-3

Poverty reduction and social protection strategies and systems are established that enable the poor, vulnerable, women and youth to increase their productive capacities and generate sustainable livelihoods while protecting the environment

Improved access to quality basic social services with particular attention to the vulnerable and marginalized

Economic and political systems in selected Local Government Areas are effectively decentralized and utilize transparent, accountable, participatory and inclusive decision-making processes

**WFFC goal: 1-4**

Promoting Healthy Lives

Providing quality education

Protecting against abuse, exploitation and violence

Combating HIV/AIDS

**MDGs: 1-7**

Eradicate extreme poverty and hunger

Achieve universal primary education

Reduce child mortality

Improve maternal health

Combat HIV/AIDS, malaria and other diseases

Ensure environmental sustainability
