COUNTRY PROGRAMME OF COOPERATION 2007-2010**

| UNICEF MTSP Focus Area ¹ | Key Results expected in this Focus Area and Baselines | Key Progress Indicators | Means of Verification | Major Partners, Partnership Frameworks and Cooperation Programmes | The expected results in this Focus Area will contribute to: |
|---|--|---|--|--|--|
| 1. Young Child Survival and Development | <p>1.1. National policies, strategies, guidelines, budgets and monitoring systems have incorporated high impact interventions for maternal, newborn and child survival, growth and development (MNCSGD)</p> <p>Baseline: To be determined through an initial baseline survey</p> | <p>1.1.1 Number of relevant policies, strategies, guidelines, budgets and monitoring systems containing high impact interventions for MNCSGD</p> <p>1.1.2 Proportion of the health budget that is allocated to the prioritised high impact interventions for MNCSGD</p> | <ul style="list-style-type: none"> Review of national policy and strategy documents in health, nutrition & ECD National MTEF reports District budget guidelines and MTEF submissions Public Expenditure Review (health sector) reports | <p><u>Partners:</u> MOEVT, MCDGC, MOHSW, PMORALG, MEM, NBS, TFNC TFDA, WHO, UNFPA, UNESCO, WFP, UNDP, HKI, World Bank, ADB, JICA, WaterAid, Plan Tanzania, TSPA, URC, AED.</p> <p><u>Partnership framework or cooperation programme:</u> SWAp processes, DPGs (health, water, HIV/AIDS, etc), health technical review groups, national nutrition working group, child survival partnership, Public Expenditure Review clusters</p> | <p>²UNDAF Outcomes</p> <p><u>UNDAF Country Programme Outcomes:</u> 2.3: Improved community access to safe, clean water and environmental sanitation in the rural areas.</p> <p>2.4: Increased and equitable access to comprehensive reproductive and child health services.</p> <p><u>WFFC Priority Area of Action:</u> Promote healthy lives, combat HIV/AIDS</p> <p><u>MDGs:</u> Promote gender equality and empower women; Reduce child mortality; Improve maternal health; Combat HIV/AIDS, malaria and other diseases; Develop a global partnership for development.</p> |
| | <p>1.2. National and sub-national management and delivery systems for health, nutrition and early development strengthened for effective implementation of high impact interventions</p> <p>Baseline: To be determined through an initial baseline survey in 6 focus districts</p> | <p>1.2.1. Proportion of districts effectively implementing high impact interventions for MNCSGD (details will be included in the CPAP)</p> | <ul style="list-style-type: none"> Comprehensive Council Health Plans (CCHPs) Districts implementation reports Training reports Supervisory reports Consolidated inputs to the Health Management Information System | | |
| | <p>1.3. Recommended family care practices in support of maternal, newborn and child survival, growth and development applied by at least 75 per cent of households in all wards within 6 focus districts</p> <p>Baseline: To be determined through an initial baseline survey in 6 focus districts</p> | <p>1.3.1. Number of monthly contacts between CHWs/CORPS and caregivers in focus districts.</p> <p>1.3.2. Proportion of households applying the recommended set of family care practices</p> | <ul style="list-style-type: none"> Panel data and periodic survey findings Evaluation reports C-IMCI reports | | |

¹ Key results for emergency preparedness and response as stipulated in UNICEF Core Commitments for Children in Emergencies (CF/EXD/2004-15) and in line with IASC Cluster Leadership frameworks (PD/AC/06-07) are mainstreamed in this Country Programme Document, implying that the CP will facilitate accelerated interventions and effective responses to emergency needs in water and environmental sanitation, health, nutrition, education and child protection.

² FOR REFERENCE: The UNDAF Outcomes to which the various Country Programme Outcomes listed in Column 6 relate to are:

1. By 2010, equitable growth in rural livelihoods is accelerated and sustained.
2. By 2010, increased access to quality basic social services for all by focusing on the poor and most vulnerable.
3. By 2010, democracy governance is strengthened and consolidated
