Framework of Action: Children’s Rights in Global Supply Chains

Understanding Impacts on Children’s Rights in Supply Chains (Research & Impact assessments)

Developing innovative solutions based on assessment findings & stakeholder engagement

PILLAR 1
BETTER BUSINESS FOR CHILDREN
- Workplace practices in farms & factories improve
- Sourcing policies practices by buyers & brands improve

PILLAR 2
STRENGTHENED COMMUNITIES
- Service delivery for workers and their families in the community and workplace improve

PILLAR 3
ADVOCACY & JOINT ACTION
- Enabling environment for children and women’s rights through industry and government engagement

The rights of children and women are respected and supported in global supply chains
