Situation Update:
Unaccompanied Children (UAC) in Greece
28 February 2018

3,030 Estimated number of UAC currently in Greece (based on referrals, as of 28 February 2018)
Out of the total:
96.6% Boys
3.4% Girls
4.7% <14 years old

The calculation used for the population estimation is the summary of waiting, placed and pending assigned UAC, plus UAC in RICs lists pending submission to EKKA, excluding separated children, rounded to the nearest tenth.

1,118 Total number of places available in UAC shelters (filled, pending assigned cases as of 28 February, including 38 vacant places)

2,104 Total number of UAC on waiting list for shelter including 203 separated children (as of 28 February 2018)

Number of UAC in Reception and Identification Centers/Protective Custody
2 June 2017 – 28 February 2018 (based on requests by referral agents)

Number of places available in UAC shelters (filled, pending assigned cases) vs. Numbers of additional requests for placement on waiting list
2 June 2017 – 28 February 2018

Number of UAC on the waiting list in first and second line reception facilities or protective custody as of 28 February 2018 (based on requests by referral agents*)

*The actual number of UAC in the RICs as of 28 February 2018 is higher than the referrals received by EKKA. In addition to the above 51 extra referrals are pending submission to EKKA.

Number of UAC on the waiting list reported out of first and second line reception facilities or protective custody as of 28 February 2018 (based on requests by referral agents)

Children living out of first and second line reception facilities or protective custody are reported above, taking into consideration that their current place of stay might differ from the one reported at the time of referral.

Number and places of UAC shelters, safe zones and hotels, 28 February 2018

Key Facts
as of 28 February 2018

UAC Shelters (transit and long-term)
- Current: 48 UAC shelters with total 1,118 places
- Planned: 1 new shelter with total 15 new places

Safe Zones* (short-term)
- Current: 10 Safe Zones for UAC with total 300 places

Hotels** (emergency)
- Current: 4 Hotels for UAC with total 240 places

*Safe Zones are designated supervised spaces within accommodation sites which provide UAC with 24/7 emergency protection and care. They should be used as short term (maximum 3 months) measures to care for UAC in light of the insufficient number of available shelter places. Safe Zone priority is given to UAC in detention as well as other vulnerable children, in line with their best interests.

**Hotels are emergency accommodation spaces being used as a measure to care for UAC in light of the insufficient number of available shelter places. Priority is given to UAC in Reception and Identification Centers.
