Medium-term strategic plan: planned financial estimates for the period
2012-2015

The Executive Board

2. Takes note with concern that the share of regular resources of total income in 2011 declined to 29 per cent from 38 per cent in 2006, and encourages Member States in a position to do so to increase their contribution to regular resources;

3. Emphasizes that regular resources are the bedrock of UNICEF and are essential to maintaining the multilateral, neutral and universal nature of its work, and encourages UNICEF to work strategically with partners to further mobilize such resources and increase their share of total income;

4. Approves the framework of planned financial estimates for 2012-2015 and approves the preparation of programme expenditure submissions to the Executive Board of up to $847 million from regular resources in 2013, subject to the availability of resources and the continued validity of these planned financial estimates;

5. Takes note of the revised funding mechanism for the after-service health insurance reserve;

6. Requests UNICEF to provide annual updates to the Executive Board on the progress of funding its reserves for staff liabilities.

2012/20
Roadmap towards an integrated budget, beginning 2014

The Executive Board

1. Recalls the principle of full cost recovery as stipulated in General Assembly resolution 62/208, as well as the principle of avoiding the use of core resources to cover costs related to the management of non-core funds and their programme activities, as stipulated in General Assembly resolution 64/289 on system-wide coherence;

2. Notes that UNDP, UNFPA and UNICEF have different business models and mandates, and that this implies that their funding structures differ;

3. Takes note of the proposed harmonized conceptual framework for cost recovery, and appreciates the efforts to develop a simple, transparent and harmonized calculation methodology for cost-recovery rates;

4. Further notes that in the harmonized conceptual framework, costs should be defined and funded in line with the cost categories approved by the respective
Executive Boards, and also notes that no distinction is made between fixed indirect costs and variable indirect costs;

5. Requests UNICEF, in consultation with UNDP, UNFPA and UN-Women, to further develop the harmonized conceptual framework and calculation methodology for cost-recovery rates to enable the Executive Board to take a decision on cost-recovery rates at its first regular session 2013;

6. Requests UNICEF to provide to the Executive Board during the last trimester of 2012, in order to enable it to adopt a decision on cost-recovery rates at its first regular session 2013, further information on the following:

(a) Critical cross-cutting functions, their funding, and the implications for cost-recovery rates;

(b) The way development effectiveness will be directly funded from core and non-core resources and the consequences for cost-recovery rates;

(c) The comparable and non-comparable special-purpose activities and associated costs, their funding, and the consequences for cost-recovery rates;

(d) The advantages and disadvantages of including or excluding United Nations development coordination activities in the cost-recovery calculation methodology and the consequences for cost-recovery rates;

(e) The transitional arrangements after the new cost-recovery rates are adopted;

(f) The way the new cost-recovery policy will help to achieve improved cost efficiency;

7. Requests UNICEF, together with UNDP and UNFPA, to provide the Executive Board with an analysis of the following for their respective organizations:

(a) Different scenarios of harmonized versus organization-specific cost-recovery rates and their possible consequences and risks;

(b) The effects of differentiated rates — those taking into account different volumes of funds and the different nature of funds, including, inter alia, complex development situations with attendant increased risks, programme-country contributions and the degree of earmarking — on mobilizing core as well as non core contributions and the kinds of non-core contributions;

8. Notes the guiding principles of the integrated budget contained in the joint note of UNDP, UNFPA and UNICEF on steps taken towards the integrated budget and the mock-up of the integrated budget;

9. Encourages the further alignment of the UNICEF integrated budget with the medium-term strategic plan (MTSP), including the resource plan, results frameworks and the linking of resources to results;

10. Looks forward to receiving, at the first regular session 2013, the mock-up of the integrated resource plan with a harmonized presentation of the cost-recovery amount and information on its use;
11. **Decides** that the resource projections and the integrated budget for all cost categories will cover a four-year period, coinciding with the duration of the MTSP, and that the integrated budget will be reviewed together with the midterm review of the MTSP.
