Exercise. Evaluation

November 2019
Exercise

• Groups of 5
• 1. Which should be the long-term goals of the M&E for Children?
• 2. What would be the shape of this M&E system?
• 3. What would be the first step, from the UNICEF team in this country?
• 4. How would you convince government officials about a Design evaluation of a new program for early pregnancy?
• 5. Have you detect the main evaluation champions in your country?
• 6. Which would be the first evaluation to suggest to your country officials? Why?
• 7. How would you start a country’s program inventory for children?
• 8. How you assess your country’s evaluation performance?
• 9. How would you improve your country’s evaluation system?
• 10. Before evaluations, does your country need more basic information for decision making?
