This webinar intends to promote discussion on the contribution of evaluation to Voluntary National Reviews on the [Sustainable Development Goals](#). The webinar is appropriate for government officials, development professionals and anyone working or interested in evaluation and development.

[Stefano D'Errico](#) is the Monitoring, Evaluation, and Learning Lead at the [International Institute for Environment and Development \(IIED\)](#), advocacy lead of the international network [EVALSDGs](#), and council member of the [United Kingdom Evaluation Society \(UKES\)](#). He has worked internationally with civil society organizations, funders, and think tanks in developing systems that enable organizations to assess and evidence their impact more robustly and confidently. He has co-authored 6 [evaluation briefs](#) on effective Evaluation for the SDGs including one titled "[Evaluation: a missed opportunity in the SDGs' first set of](#)

[Voluntary National Reviews](#)".
