This webinar intends to promote greater awareness, understanding and discussion on key challenges for the evaluation of the [Sustainable Development Goals](#). The webinar is appropriate for anyone working or interested in the evaluation of development programs.

Michael Bamberger has evaluated development programs throughout Africa, Asia, Latin America, and the Middle East. Since retiring after 22 years with the World Bank, he has consulted with many UN, bilateral, and government agencies and with NGOs. He has published widely on development evaluation and served on the advisory board of many leading evaluation journals. He is a member of the UNDP Independent Evaluation Office International Evaluation Advisory Committee. He recently co-authored with Marco Segone and Florencia

Tateossian, "[Evaluating the Sustainable Development Goals within a 'No-one left behind' lens through equity focused and gender responsive evaluations.](#)"
