

# Draft country programme documents Kenya, United Republic of Tanzania

Mohamed M. Malick Fall  
Regional Director  
Eastern and Southern Africa

UNICEF Executive Board – Informal consultation – 30 March 2022

Item 6 (a): Country programme documents

Reference documents: E/ICEF/2022/P/L.16 and E/ICEF/2022/P/L.17

# Country contexts

Lower-middle-  
income status

Political stability

Dividends of youthful  
populations

Economic resilience

# Progress made

Steady reduction in under-five mortality and maternal mortality rates

Strong attendance and completion rates at primary level

Free and compulsory pre-primary education in the United Republic of Tanzania

Strong lower secondary net enrolment rate in Kenya

# Challenges

-  Multidimensional poverty among children
-  Persistence of stunting, despite progress
-  1/5 of ESAR children and adolescents with HIV live in the two countries
-  Learning crisis
-  Violence against children and child marriage
-  Slow progress in sanitation
-  Climate change impact
