

Costed evaluation plan – Eswatini – UNICEF country programme of cooperation, 2021–2025

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised Evaluation Policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
Evaluation of the impact of interventions in newborn care on systems-strengthening and reduction in mortality	Outcome 2. By 2025, boys, girls, women and men, especially the most vulnerable, benefit from equitable access to inclusive, gender transformative, effective and efficient quality social services, life-long learning and market-relevant skills.	Goal Area 1	Newborn care is the main focus of the Maternal, Child and Adolescent Health programme. The evaluation will start in 2020 and be taken forward in the 2021–2025 country programme.	The evaluation will inform possible scale-up of the programme to a wider audience and inform future programming, including informing the Eswatini – UNICEF country programme midterm review and the United Nations Sustainable Development Cooperation Framework (UNSDCF) midterm review.	2020	40 000 (OR)
Evaluation of the life skills interventions	Outcome 2. By 2025, boys, girls, women and men, especially the most vulnerable, benefit from equitable access to inclusive, gender transformative, effective and efficient quality social services, life-long learning and market-relevant skills.	Goal Area 2	Life skills are a key component of the Lifelong Learning, Protection and Development programme, based on the United Nations Common Country Assessment.	The evaluation will inform future programming and the development of the National Development Plan.	January 2024	40 000 (RR)

Evaluation of the One-Stop Centre approach	<p>Outcome 3.</p> <p>By 2025, oversight bodies and government institutions at national and regional levels operate in an independent, participatory and accountable manner, ensuring equal access to justice and services, with a systematic, participatory implementation and reporting mechanism for human rights obligations and SDGs, with a focus on leaving no one behind.</p>	Goal Area 3	UNICEF Eswatini initiated the One-Stop Centre model in Eswatini in 2015. Thus, there is a need to determine its impact and further inform strengthening of the model.	The evaluation will inform the government programme interventions and help to refine the strategic approach, as well as inform the scale.	January 2021	35 000 (RR)
