

Costed evaluation plan – Panama – UNICEF country programme of cooperation, 2021–2025

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised Evaluation Policy ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding, (regular resources (RR) or other resources (OR)), in United States dollars</i>
Evaluation of local models for the prevention of violence against children and adolescents (CONIPREVINNA)	Outcome 2: Governance Outcome 4: Violence prevention	Goal Area 3: Every child is protected from violence and exploitation	Country-led evaluation selected considering the need to scale up strategies for the prevention of violence against children, as piloted in three districts throughout the country; this goal area and model have not yet been evaluated in Panama.	Generate evidence to inform decision-making to scale up pilot to inform policies. Findings and recommendations would serve the Government for future programme design and refinement. UNICEF will provide technical assistance for the design and management of the evaluation. The Government will lead use and dissemination efforts.	Nov 2022	RR: 20 000 OR: 30 000
Formative evaluation of the UNICEF adolescent development and participation outcome	Outcome 1: Equality and inclusion Outcome 2: Governance Outcome 3: Climate change	Goal Area 2: Every child learns Goal Area 5: Every child has an equitable chance in life	Country office thematic evaluation The evaluation will review an innovative area of work.	Evaluate midterm results and generate evidence and recommendations to improve the outcome programme design and its implementation. That outcome is part of the common chapter of the strategic plans, 2018–2021 of the United Nations Development Programme, the United Nations Population Fund and the United Nations Entity for Gender Equality and the Empowerment of Women (UN-Women). Consequently, inter-agency results will also be evaluated. The evaluation findings will help to improve the effectiveness of ongoing joint initiatives and identify ways in which UNICEF can better contribute to them.	Jul 2023	RR: 30 000 OR: 20 000

Evaluation of the Panama-UNICEF country programme of cooperation, 2021–2025	Outcome 1: Equality and inclusion Outcome 2: Governance Outcome 3: Climate change Outcome 4: Violence prevention	Goal Area 1: Every child survives and thrives Goal Area 2: Every child learns Goal Area 3: Every child is protected from violence and exploitation Goal Area 4: Every child lives in a safe and clean environment Goal Area 5: Every child has an equitable chance in life	Country programme evaluation The 2016–2020 country programme was not evaluated; to meet the evaluation policy coverage norms (every two cycles), the new one should be evaluated. The evaluation of the 2021–2025 programme will also allow strategic positioning in a fast-changing context.	Evaluate results of current country programme document (CPD) and generate lessons and recommendations for the design of the next CPD and the United Nations Sustainable Development Cooperation Framework. Inform the strategic positioning of UNICEF in Panama in the medium to long term, as well as decision-making on future programme design. Enhance UNICEF accountability to government partners and donors.	Sept 2024	RR: 80 000
