How to participate in the virtual meeting

Registering before the meeting

Before the meeting, the secretariat will share an invitation via email that includes a Zoom link requesting that you register in advance of the meeting.

Clicking on the registration link will take you to the registration form, which includes fields for information that will help the meeting hosts to identify participants.

Please note that you must use a unique email address for each participant registering for a meeting. If you use a single email address for multiple participants, only one registration will be saved.
After filling in the form and clicking “Register”, you will be informed that the meeting registration has been successful.

Once approved by the host, you will receive a confirmation email with a personalized link to join the meeting. **This link is unique for each registered participant and should not be shared.**

The invitation to the Zoom meeting will also provide a dial-in option that can be used as a backup should participants be unable to connect to the meeting by computer.

**Installing Zoom and joining a meeting**

It is recommended that you install the Zoom application (app) in advance of the meeting. See: [Zoom video tutorial: Joining a Zoom meeting](#).

Participants are required to connect to the meeting using the Zoom application to take advantage of the video conferencing capabilities. Participants are encouraged to go into the system in advance of the meeting to familiarize themselves with Zoom.

Approximately fifteen (15) minutes before the start of the meeting, participants will be able to click on the link from the confirmation email (or call in) to join the session.

To join, click on the link “Join Meeting” or enter the Meeting ID and password that was provided in the email. Participants are reminded that meeting passwords are confidential and should not be shared.
For easy reference you may click on “Add to Calendar” to add an entry to your own calendar.

Kindly note that staff from the UNICEF secretariat will be available in advance of the meeting to help to troubleshoot any issues participants may encounter.

**You must have Zoom installed on your computer or laptop.** The meeting cannot be accessed through the browser. If you do not have the application downloaded, a screen will appear, and you should choose the option to “download & run Zoom”. The download will begin, and you will need to open the downloaded file to install it on your computer.

If Zoom is already installed, you will have the option to open Zoom. Choose “Open Zoom”.

During the meeting

You will enter the room with your microphone on mute. To avoid background distractions, **you should always keep your microphone on mute unless you wish to speak**, at which point it can be unmuted (*see the icon at the lower left of the screen above*).

Your video will also be turned off when you enter the room. To turn on your video, click on the “Start Video” icon on the bottom left of the screen.

If you have a weak/unstable Internet / Wi-Fi signal, please use only the audio feature and not video (*see the icon at the lower left of the screen above*).

Please rename yourself in the *Participants* list by adding your country or organization before your name. You can rename yourself by choosing the option when hovering over your name in the Participants list.

If you are a Permanent Representative, Deputy Permanent Representative or Chargé d’affaires, please put PR, DPR or CDA after your country. For example,

**Country-PR, DPR or CDA-Name**

All names of countries and organizations will appear in the Participants list after the hosts, in alphabetical order.

If a participant cannot be identified by the secretariat, he/she may be put in a waiting room until they are identified and renamed.
Taking the floor

When you wish to speak, you may click on the “Raise Hand” button (in the “Reactions” menu at the bottom of the window). A hand icon will appear next to your name in the Participants list to signal your request to the meeting host.

After you are called upon by the Chair, unmute the microphone before beginning to speak. When taking the floor, please first state your name and delegation.

When you are finished speaking, or if you no longer wish to speak, press the “Lower Hand” button in the “Reactions” menu.

Chat messages (option to be used only if a participant needs technical assistance)

During the meeting, should you experience any technical difficulties in using the video/audio features, you may use the chat function to notify the secretariat. In order to avoid distractions and to make sure that your questions are noted, please avoid using the chat to send questions/statements that are not related to requests for technical support.

When the meeting has concluded, or when you no longer wish to participate, choose “Leave” (at the bottom right of the screen) to exit.
