Draft country programme documents

Botswana, Comoros, Eritrea, Madagascar and Zimbabwe

Mohamed M. Malick Fall
Regional Director
Eastern and Southern Africa

UNICEF Executive Board – Informal briefing – 24 June 2021
Item 6 (a): Country programme documents
Reference documents: E/ICEF/2021/P/L.17–E/ICEF/2021/P/L.21
Diversity of context

This map does not reflect a position by UNICEF on the legal status of any country or territory or the delimitation of any frontiers.
Progress has been made

- Increased narrative on development and governance
- Gradual reduction in child mortality
- Incremental reduction in stunting, particularly in Comoros, Madagascar, Zimbabwe, albeit remaining high
- Sustained increase in primary net enrollment in all 5 countries
Challenges are many

- High proportion of the population living in poverty and inequality
- Increasing double-burden of childhood obesity in Botswana, Comoros, Zimbabwe
- Slow progress in basic sanitation
- High burden of HIV in Botswana and Zimbabwe
- Slow reduction in neonatal mortality
- Gaps in full immunization, except in Eritrea
- Learning crisis (low learning outcomes and high number of children out of school)
- Gender-based violence and related social/gender norms
Challenges are many (Cont’d)

- COVID-19 and GDP contraction
- COVID-19 and fragility of systems
- Climate change and vulnerabilities
Challenges bring opportunities

- Acceleration towards SDG targets, covering losses
- Capitalizing on digital technology
- Strengthening community resilience and adaptive programming
Country Programmes
