| The United States commends the CPD’s focus on development issues in Lao PDR. We encourage UNICEF country office to continue to work with stakeholders on the ground to address:  
1. Activities for Disaster Risk Reduction (DRR) and WASH programs in flood-affected communities.  
2. Updating the National Nutrition Strategy as a part of the CPD’s activities. | Ad 1) The UNICEF Country Office concurs with the comments received of the Government of the United States, recognizing the importance of Disaster Risk Reduction (DRR) and Water, Sanitation and Hygiene (WASH) programs in flood-affected communities. In its Country Programme 2022-2026, UNICEF will continue to support the Government of Lao PDR in strengthening these programs.  
Ad 2) The UNICEF Country Office will continue to work with the Government of Lao PDR and relevant stakeholders in improving the nutrition situation of the population, especially children and women, using multiple platforms and strategies. UNICEF will support the operationalization of the National Plan of Action on Nutrition (2021-2025) which is in its final stages of preparation. As co-convener of |
the development partners in nutrition, UNICEF will support the Government of Lao PDR and nutrition stakeholders to update the current nutrition strategy (2016-2025) as part of the new country programme activities, ensuring its alignment with global best practices and addressing the country nutrition challenges in a holistic manner.
