Child Poverty and Inclusive Social Protection: UNICEF driving change

Natalia Winder Rossi
Director, Social Policy and Social Protection

UNICEF Executive Board – 2022 first regular session (8–11 February 2022)
Item 4 (a): Country programme documents
Reference documents: E/ICEF/2022/P/L.1–E/ICEF/2022/P/L.14
Critical messages

• **Child poverty** should be at the centre of inclusive and sustainable recovery.

• Scaling up investments in **social protection** is a proven strategy to reduce poverty, but gaps remain.

• Progress requires that social **investments** for children are prioritized and adequately financed.
Countries – in all contexts – supported by UNICEF in child poverty, social protection and public finance

Critical lead actor in accelerating change towards SDG1 and SDG10 for children, women and caregivers

Comprehensive approach: direct delivery, national system building, policy change and leveraging financing for children
UNICEF added value

Child poverty: Routine national measurement and monitoring of child poverty and integrating child poverty into national strategies.

Social protection and care:

• Child-sensitive systems building towards Universal Child Benefits and links with sectors
• Inclusion: Disability, gender transformation and children on the move
• Revamping of care agenda and family-friendly policies
• Comprehensive offer in fragile and humanitarian contexts: direct delivery of humanitarian cash transfers and building risk-informed and shock-responsive social protection systems.

Public finance: leveraging national resources for social sectors and human capital development; enhancing efficiency, equity and transparency.
Thank you.
