Key Messages

1. **Every child has the Right to:**
   - A **name** through registration at birth
   - Age appropriate quality **health care**
   - A well balanced **nutritious diet**
   - A **clean environment** with access to water and sanitation
   - Quality **basic education** to become useful and productive citizens
   - **Protection** from conflict, abuse and misuse within homes and communities
   - Participate and share their views and to **be heard**

Repeated disasters like drought, floods, and conflict can have serious impacts on the health, protection & wellbeing of children. County Assemblies should support communities to build their resilience to shocks of repeated disasters through planning & budgeting for the needs of vulnerable populations, including children.
