

UKRAINE AND REFUGEE OUTFLOW

Total funds received:

US\$ 956M

as of 22 August 2022

As of 22 August, UNICEF has received **US\$ 956million** for the response out of which 66 per cent is unearmarked against the HAC. UNICEF's HAC funding requirement has been revised to **US\$ 949 million**. UNICEF is immensely grateful for the timely and quality financial support from public and private sector partners so far. The flexible and timely funding will continue to play an important role in this response as it enables UNICEF and partners to act rapidly and strategically to meet the growing needs and fulfill the rights of children and their families affected by this crisis. UNICEF is fully committed to transparency and accurate financial reporting standards, and regular updates can be found in the Ukraine crisis situation reports and on the Financial Tracking System (FTS) managed by OCHA.

ⁱ Contribution received: Cash and contributions in kind received from resource partners within a calendar year.

ⁱⁱ Unearmarked: Fully flexible funding received from the resource partners toward the HAC appeal (Pillar 1 and 2 combined).

ⁱⁱⁱ Softly earmarked: Contributions made by Pillar 1 (Ukraine) or Pillar 2 (refugee response) of the HAC appeal.

^{iv} Earmarked: Contributions earmarked by sector in Pillar 1 and by country or sector in Pillar 2.

^v This is an allocation made by UNICEF Office of Emergency Programme (EMOPS) to UNICEF's country and regional offices. The Global Humanitarian Thematic Fund (GHTF) is, after the Core Resources for Results (RR), the most flexible form of funding as it allows for rapid and strategic responses by UNICEF to humanitarian crises. It is a form of unearmarked flexible funding received at the global level. Please visit www.unicef.org/emergencies/global-humanitarian-thematic-funding for more information.

* Resource partners with asterisks are Private Sector Fundraising (PSFR) by UNICEF Country Offices
