TERMS OF REFERENCE (TOR) FOR INSTITUTIONAL CONTRACTORS

International/National Institutional Consultancy for:
Data collection of behavioral insights (BI) on drivers influencing immunization-related behaviors in Montenegro.

1. Background and Context

Even though vaccination is considered to be one of the greatest achievements of modern medicine, the decline in vaccine coverage for several well-established vaccines has been observed globally in the previous decade. This trend has been especially pronounced in Montenegro where significant decline in routine immunization rates has been observed ever since 2014 with all routine immunizations but particularly with the timely application of the first dose of MMR vaccine that has dropped to staggering 24% of coverage among children born in 2019 and seems to be even further declining for the children born in 2020.

Beside the observed and well documented vaccine hesitancy (MICS 2018 vaccines hesitancy module results snapshot; Public opinion polls about coronavirus | UNICEF) and decline in vaccination rates for childhood diseases, concerns and hesitancy related to COVID-19 vaccines emerged as well and has additionally impacted routine immunization coverage rates.

Currently, almost every country in the world struggles with vaccine hesitancy, resulting in the threat of re-emergence of outbreaks of vaccine-preventable diseases, and delay in reaching herd immunity for COVID-19. According to the national Institute for Public Health (IPH) and as of March 2022, a share of adults vaccinated with at least two doses of COVID-19 vaccines in Montenegro constitute around 57% of adult (18+) population or 45% of total population.

In order to address people’s concerns, increase vaccine uptake and thus provide better protection for children and adults from life-threatening communicable diseases, it is important to understand determinants and drivers of individual vaccination related behaviours and decisions.

To understand the factors influencing people’s immunization-related choices and practices, UNICEF Regional Office for Europe and Central Asia has hired an international company (Euro Health Group # EHG) to develop a methodology and conduct the analysis for several countries in the region, including Montenegro. However, each country is responsible for organizing collection of their own data that will guide formulation of country specific recommendations on immunization and COVID-19 vaccines uptake.

Based on the results of the research, national counterparts will be supported in the development of a demand generation strategy as well as in overall strengthening of health and immunization programs and budgets. This activity is part of the ongoing EU UNICEF partnership "Strengthening health system resilience and response to the COVID-19 pandemic and epidemiological risks".

2. Objectives, Purpose & Expected Results

The main purpose of this call is to better understand factors (drivers) influencing people’s immunization-related choices and practices based on which recommendations will be developed in order to increase demand for childhood and COVID-19 vaccines.

The objective is to execute data gathering process among populations defined in the description of the assignment based on the methodology developed, provided and supervised by EHG and UNICEF RO.

3. Description of the Assignment

Data will be gathered in two "lines" of research:
1) Factors influencing childhood vaccine uptake and
2) Factors influencing COVID-19 vaccine uptake.
For childhood immunization behavioral insights (BI) research:

- A representative sample (by gender, age and geographical distribution) of healthcare workers (physicians and nurses) from all levels of health care will be surveyed, not limited to but with special focus on pediatricians and pediatric nurses who are closely involved in childhood immunization. Proposed sample size: 1000 health workers (250 medical doctors and 750 nurses). Disaggregation of data regarding the specialization and profile of healthcare worker must be secured.
- A representative sample (by gender, age and geographical distribution) of parents and/or caregivers of children aged 0-6 will be surveyed. Proposed sample size: 1000 persons.

For COVID-19 behavioral insights (BI) research:

- A representative sample (by gender, age and geographical distribution) of health workers (family doctors/GPs, other specialists and nurses) from primary, secondary and tertiary health care levels. Proposed sample size: 1000 health workers (250 medical doctors and 750 nurses) will be surveyed.
- A representative sample (by gender, age and geographical distribution) of the general adult population (18+) excluding health workers will be surveyed. Proposed sample size: 1000 persons.

a. Methodology

For healthcare workers the survey will employ a structured face-to-face survey method for data collection while for general population and parents of children aged 0-6 Computer Assisted Telephone Interviewing methodology (CATI) will be developed and applied. As an alternative and depending on the epidemiological situation with COVID-19 in the country, the Company (bidder) is encouraged to also provide alternative approach / separate proposals for including a phone or online interview methodology in all target populations while implementing clear data quality and traceability assurances. Where alternative approaches are proposed, bidders are encouraged to provide separate budgets for them tailored survey instruments will be used for both lines of research. Surveys are expected to take around 20 minutes.

All data should be collected and recorded electronically. The Company will be expected to provide a secure electronic platform for data collection and responsible for programming the electronic version of the questionnaires, including all skip logic, constraints, data validation, etc. The Company is expected to use tablets, lap-top computers, power sources, and any other logistics deemed necessary for electronic data collection. Pilot testing of the survey is expected to be conducted ahead of the data collection and as explained in duties and responsibilities section of the document. In addition, the Company will ensure quality control (e.g., recording of interviews or a sample of interviews to be contacted at a later point to verify survey execution).

Finally, a codebook in the local language(s) and English will be developed and data will be inserted according to the codebook. An export of the coded database will be provided to EHG data analyst after the pilot testing, as well as on every 7 days during the data collection period.

It should be noted that the survey questionnaire(s) is a complex instrument which will require highly qualified enumerators and 2 days training (including outdoor practice), which will be led by the Euro Health Group team with the support of the Company and supervised by UNICEF Country Office in Montenegro.

b. Ethical considerations

The Company is required to clearly identify any potential ethical issue, as well as to provide all necessary documents (as required by UNICEF CO ethical review board) and enable processes of ethical review and oversight during the research/data collection process. UNICEF Country Office will communicate with the ethical review board. UNICEF Procedure for Ethical Standards in Research, Evaluation, Data Collection and Analysis can be found at: https://www.unicef.org/supply/files/ATTACHMENT_IV UNICEF_Procedure_for_Ethical_Standards.PDF and shall be consistently applied throughout the entire research process. The procedure contains the minimum standards...
and required procedures for research, evaluation and data collection and analysis undertaken or commissioned by UNICEF (including activities undertaken by individual and institutional contractors, and partners) involving human subjects or the analysis of sensitive secondary data.

c. Duties and Responsibilities

1) Survey protocol: The Company will develop detail survey protocol for both lines of research and four target populations, based on the methodology developed by EHG. The protocols will be discussed and finalized with EHG and UNICEF regional and country office.

2) Sampling: The Company will define nationally representative samples for both lines of the research and four target populations, supported by the Euro Health Group Data Analyst. The Company will also propose a feasible (available) sampling frame from which the sample will be drawn and treated, for each line of research and four target population, according to the sampling strategy.

3) Translation: Supported by the EHG team/Focal Point the Company will provide translation and back translation of survey instruments into national language.

4) Programming and pilot testing of questionnaires for both lines of research and four target populations: The Company will review the questionnaire provided by the Euro Health Group team and UNICEF country office and provide comments and suggestions to it. The questionnaire will be tested by the Company, with the guidance and support from the EHG team. The testing will take place in actual facilities, which will then be excluded from the sample. The pilot should include a minimum of 10 interviews in each of 4 target populations, to be reviewed in detail by the survey team. The research tools will be finalized based on the results of the testing, in coordination with EHG and UNICEF.

5) Detailed Field Procedure Plan: The Company will prepare a plan that will include the following:
   a. Protocols for ensuring full adherence to the sample frame (including rules for re-visits).
   b. Protocols for ensuring high-quality data, including quality control during data collection, and data validation.
   c. Provision of all information and documents needed for obtaining of the necessary ethical approvals for the survey.
   d. Obtainment of the notification letter for HCWs and permission paper for conducting surveys in health-care facilities from the Ministry of Health (with UNICEF CO support).
   e. Interview logistics: assignment of enumeration teams; schedule; how enumerators will be managed in the field to recognize and correct obvious errors (e.g. incomplete or wholly implausible responses).
   f. Logistics costs including phone calls costs, travel and lodging and other logistics costs associated with data collection.
   g. Management information/reporting tools (field log) to track data collection and monitor data quality.
   h. Procedures for field data back-up and timely submission to the data collection software.
   i. Regular data exports as part of quality control (at least once after the testing of tools and once per week during data collection).

6) Development and revision of the Field Procedure Plan: The Field Procedure Plan must be submitted for comment and review to the Euro Health Group team and UNICEF country office before the start of field work and revised if necessary, according to any comments. The Company must adhere as closely to the plan as conditions allow during survey implementation. If field conditions dictate significant changes to these plans, the Field Supervisors are obliged to immediately inform the Euro Health Group and UNICEF country office in the form of a written report.

7) Additional costs: The Company will handle all logistical expenses related to the survey, including survey related in country travel, survey team health and accident insurance, provision of mandatory protective equipment for visiting PHCs (masks, sanitizers, other as per epidemiological situation and requirements), salary, taxes, and others as necessary.

8) Management, training, and contracting of experienced field staff: The Company will hire, train and manage all field staff, such as enumerators, supervisors and a data manager, with the guidance and active support from Euro Health Group team and supervision of the UNICEF country office. Proposals should therefore include a plan for enumerator recruitment, including the minimum number, qualifications and experience of enumerators. The contractors will ensure the enumerators/interviewers and supervisors have the necessary profile and experience to
support quality data collection.

9) Survey training and manual: Prior to commencing training, the Company should prepare a survey manual for the use of the enumerators, supervisors and data manager. The training will focus on the content and administration of the questionnaires provided by the Euro Health Group team and UNICEF country office. Furthermore, the training should also serve as a screening process for skilled interviewers. Consequently, the Company must recruit more interviewers for the training than will be ultimately hired for the project. At least five enumerators should be included in the training as a reserve.

10) The training: enumerators training will be managed and implemented by the Euro Health Group team, with the support of the Company (including translation if necessary). The training costs, translation, interpretation, including venue, manpower, and refreshments will be covered by the Company.

11) Data collection: The Company is responsible for data entry and for data quality supervision and will, with the support of Euro Health Group team/data analyst, develop a plan for ensuring accurate entry.

12) Monitoring of data collection: The Company will develop a monitoring / information system to track questionnaires completed coordinating with the Euro Health Group focal point and data analyst and the criteria to incorporate in the monitoring system. The dashboard will be submitted to the EHG focal point and data analyst on a weekly basis during data collection, and all data will be submitted to the agreed server daily. Data must be backed up, if not submitted to the server upon completion of the interview. The field log must be submitted to the EHG Focal point and data analyst daily. The Company must reconcile any identified discrepancy between the server and the field log within 24 hours.

13) Reporting: The Company will provide regular weekly reports to the EHG focal point and data analyst detailing the number of interviews completed, plots mapped, challenges faced, modifications made to the Field Procedure Plan, and any other notable occurrences. The Company will correct all inconsistencies and problems identified by the EHG team in data quality checks, which may require re-visiting interviewees (the list of data quality checks will be shared in advance of the start of data collection).

14) Data protection and confidentiality: The Company will collaborate with the EHG focal point and data analyst and UNICEF Country Office on securing the confidentiality of the data through encryption.

15) Daily data validation and correction: The Company will be required to respond to the data quality checks produced by the EHG focal point and data analyst on a daily basis.

16) Online repository: The Company will be responsible for ensuring that all data generated under this project (contract) is deposited in the dedicated secure online repository.

17) Final report: Submission of a final Field Report at the end of the data collection period, summarizing the weekly progress reports and detailing the overall response rate. The lead researcher is expected to provide inputs and contributions to EHG in writing the country report and developing conclusions.

2. Provision of Services and Deliverables; Contractor’s Personnel; Sub-Contractors

2.1 The Contractor will provide the Services and deliver the Deliverables in accordance with the scope of work set out in the Contract, including, but not limited to, the time for delivery of the Services and Deliverables, and to UNICEF’s satisfaction. Except as expressly provided in the Contract, the Contractor will be responsible at its sole cost for providing all the necessary personnel, equipment, material and supplies and for making all arrangements necessary for the performance and completion of the Services and delivery of the Deliverables under the Contract.

2.2 The Contractor acknowledges that, other than as expressly set out in the Contract, UNICEF will have no obligation to provide any assistance to the Contractor and UNICEF makes no representations as to the availability of any facilities, equipment, materials, systems or licenses which may be helpful or useful for the fulfillment by the Contractor of its obligations under the Contract. If UNICEF provides access to and use of UNICEF premises, facilities or systems (whether on site or remotely) to the Contractor for the purposes of the Contract, the Contractor will ensure that its Personnel or subcontractors will, at all times (a) use such access exclusively for the specific purpose for which the access has been granted and (b) comply with UNICEF’s security and other regulations and instructions for each such access and use, including, but not limited to, UNICEF’s information security procedures. The Contractor will ensure that only those of its Personnel that have been authorized by the Contractor, and approved by UNICEF, have access to UNICEF’s premises, facilities or systems.

2.3 The Contractor will use its best efforts to accommodate reasonable requests for changes (if any) to the scope of work of the Services or time for provision of the Services or delivery of the Deliverables. If UNICEF requests any material change to the scope of work or time for delivery, UNICEF and the Contractor will negotiate any necessary changes to the Contract, including as to the Fee and the time schedule under the Contract. Any such agreed changes will become effective only when they are set out in a written amendment to the Contract signed by both UNICEF and the Contractor. Should the Parties fail to agree on any such changes within thirty (30) days, UNICEF will have the option to terminate the Contract without penalty notwithstanding any other provision of the Contract.

ANNEX A

GENERAL TERMS AND CONDITIONS

the Contract and may at any time evaluate the quality of the Services provided and the Deliverables to determine whether or not the Services and Deliverables conform to the Contract. The Contractor agrees to provide its full cooperation with such performance monitoring and evaluation, at no additional cost or expense to UNICEF, and will provide relevant information as reasonably requested by UNICEF, including, but not limited to, the date of receipt of the Contract, detailed status updates, costs to be charged and payments made by UNICEF or pending. Neither the evaluation of the Services and Deliverables, nor failure to undertake any such evaluation, will relieve the Contractor of any of its warranty or other obligations under the Contract.

2.8 If the Services or Deliverables provided by the Contractor do not conform to the requirements of the Contract or are delivered late or incomplete, without prejudice to any of its other rights and remedies, UNICEF can, at its option:

(a) by written notice, require the Contractor, at the Contractor’s expense, to remedy its performance, including any deficiencies in the Deliverables, to UNICEF’s satisfaction within thirty (30) days after receipt of UNICEF’s notice (or within such shorter period as UNICEF may determine, in its sole discretion, as necessary as specified in the notice);

(b) require the Contractor to refund all payments (if any) made by UNICEF in respect of such non-conforming or incomplete performance;

(c) procure all or part of the Services and/or Deliverables from other sources, and require the Contractor to pay UNICEF for any additional cost beyond the balance of the Fee for such Services and Deliverables;

(d) give written notice to terminate the Contract for breach, in accordance with Article 6.1 below, if the Contractor fails to remedy the breach within the cure period specified in Article 6.1 or if the breach is not capable of remedy;

2.9 Further to Article 11.5 below, the Contractor expressly acknowledges that if UNICEF takes delivery of Services or Deliverables that have been delivered late or otherwise not in full compliance with the requirements of the Contract, this does not constitute a waiver of UNICEF’s rights in respect of such late or non-compliant performance.

Contractor’s Personnel and Sub-Contractors

2.10 The following provisions apply with regard to the Contractor’s Personnel:

(a) The provisions of Article 7 (Ethical Standards) will apply to the Contractor’s Personnel as expressly stated in Article 7.

(b) The Contractor will be responsible for the professional and technical competence of the Personnel it assigns to perform work under the Contract and will select professionally qualified, reliable and competent individuals who will be able to effectively perform the obligations under the Contract and who, while doing so, will respect the local laws and customs and conform to a high standard of moral and ethical conduct.

(c) The qualifications of any Personnel when the Contractor may assign or may propose to assign to perform any obligations under the Contract will be substantially the same as, or better than, the qualifications of any personnel originally proposed by the Contractor.

(d) At any time during the term of the Contract, UNICEF can make a written request that the Contractor replace one or more of the assigned Personnel. UNICEF will not be required to give an explanation or justification for this request. Within seven (7) working days of receiving UNICEF’s request for replacement, the Contractor must replace the Personnel in question with Personnel acceptable to UNICEF. This provision also applies to Personnel of the Contractor who have “account manager” or “relationship manager” type functions.

(e) If one or more of Contractor’s Key Personnel become unavailable, for any reason, under the Contract, the Contractor will (i) notify the UNICEF contracting authority at least fourteen (14) days in advance; and (ii) obtain the UNICEF contracting authority’s approval prior to making any substitution of Key Personnel. In notifying the UNICEF contracting authority, the Contractor will provide an explanation of the circumstances necessitating the proposed replacement(s) and submit justification and qualification of replacement Personnel in sufficient detail to permit evaluation of the impact on the engagement.

(f) The approval of UNICEF of any Personnel assigned by the Contractor (including any replacement Personnel) will not relieve the Contractor of any of its obligations under the Contract. The Contractor’s Personnel, including individual sub-contractors, will not be considered in any respect as being the employees or agents of UNICEF.

(g) All expenses of the withdrawal or replacement of the Contractor’s Personnel will, in all cases, be borne exclusively by the Contractor.

2.11 The Contractor will obtain the prior written approval and clearance of UNICEF for all institutional sub-contractors it proposes to use in connection with the Contract. The approval of UNICEF of a sub-contractor will not relieve the Contractor of any of its obligations under the Contract. The terms of any sub-contract will be subject to, and will be construed in a manner that is fully in accordance with, all of the terms and conditions of the Contract.

2.12 The Contractor confirms that it has read UNICEF’s Policy on Conduct Promoting the Protection and Safeguarding of Children. The Contractor will ensure that its Personnel understand the notification requirements expected of them and will establish and maintain appropriate measures to promote compliance with such requirements. The Contractor will further cooperate with UNICEF’s implementation of this policy.

2.13 The Contractor will supervise its Personnel and sub-contractors and will be fully responsible and liable for all Services performed by its Personnel and sub-contractors and for their compliance with the terms and conditions of the Contract.

2.14 The Contractor will comply with all applicable international standards and national labor laws, rules and regulations relating to the employment of national and international staff in connection with the Services, including, but not limited to, laws, rules and regulations associated with the payment of the employer’s portions of income tax, insurance, social security, health insurance, worker’s compensation, retirement funds, severance or other similar payments. Without limiting the provisions of this Article 2 or Article 4 below, the Contractor will be fully responsible and liable for, and UNICEF will not be liable for (a) payments due to its Personnel and sub-contractors for their services in relation to the performance of the Contract; (b) any action, omission, negligence or misconduct of the Contractor, its Personnel and sub-contractors; (c) any insurance coverage which may be necessary or desirable for the purposes of the Contract; (d) the safety and security of the Contractor’s Personnel and sub-contractors’ personnel; or (e) any costs, expenses, or claims associated with any illness, injury, death or disability of the Contractor’s Personnel and sub-contractors’ personnel, is being understood that UNICEF will have no liability or responsibility with regard to any of the events referred to in this Article 2.14.

3. Fee; Invoicing; Tax Exemption; Payment Terms

3.1 The fee for the Services is the amount in the currency specified in the fee section of the Contract (the “Fee”), it being understood that such amount is specified in United States dollars unless otherwise expressly provided for in the fee section of the Contract. Unless expressly stated otherwise in the Contract, the Fee is inclusive of all costs, expenses, charges or fees that the Contractor may incur in connection with the performance of its obligations under the Contract; provided that, without prejudice to or limiting the provisions of Article 3.1 below, all duties and other taxes imposed by any authority or entity must be separately identified. It is understood and agreed that the Contractor will not request any charge to the Fee after the Services or Deliverables have been provided and that the Fee cannot be changed except by written agreement between the Parties before the relevant Service or Deliverable is provided. UNICEF will not agree to changes to the Fee for modifications or interpretations of the scope of work if those modifications or interpretations of the scope of work have already been initiated by the Contractor. UNICEF will not be liable to pay for any work conducted or materials provided by the Contractor that are outside the scope of work or were not authorized in advance by UNICEF.

3.2 The Contractor will invoice UNICEF only after the Contractor has provided the Services (or components of the Services) and delivered the Deliverables (or installations of the Deliverables) in accordance with the Contract and to UNICEF’s satisfaction. The Contractor will invoice (a) one (1) invoice in respect of the payment being sought, in the currency specified in the Contract and in English, indicating the Contract identification number listed on the first page of the Contract; and (b) provide a clear and specific description of the Services provided and Deliverables delivered, as well as supporting documentation for reimbursable expenses if any, in sufficient detail to permit UNICEF to verify the amounts stated in the invoice.

3.3 The Contractor authorizes UNICEF to deduct from the Contractor’s invoices any amount

GENERAL TERMS AND CONDITIONS

representing direct taxes (except charges for utilities services) and customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for UNICEF’s official use in accordance with the exemption from tax in Article II, Section 7 of the Convention of the Privileges and Immunities of the United Nations, 1946, in the event any governmental authority refuses to recognize this exemption from taxes, restrictions, duties or charges, the Contractor will immediately consult with UNICEF to determine a mutually acceptable procedure. The Contractor will provide full cooperation to UNICEF with regard to securing UNICEF’s exemption from, or refund of amounts paid as, value-added taxes or taxes of a similar nature.

3.4 UNICEF will notify the Contractor of any dispute or discrepancy in the content or form of any invoice. With respect to disputes regarding only a portion of such invoice, UNICEF will pay the Contractor the amount of the undisputed portion in accordance with Article 3.5 below. UNICEF and the Contractor will consult in good faith to promptly resolve any dispute with respect to any invoice. Upon resolution of such dispute, any amounts that have not been charged in accordance with the Contract will be deducted from the invoice(s) in which they appear and UNICEF will pay any agreed remaining terms in the invoice(s) in accordance with Article 3.5 within thirty (30) days after the final resolution of such dispute.

3.5 UNICEF will pay the unadjusted amount of the Contractor’s invoice within thirty (30) days of receiving both the invoice and the required supporting documentation, as referred to in Article 3.2 above. The amount paid will reflect any discount(s) above shown under the payment terms of the Contract. The Contractor will not be entitled to interest on any late payment or any sums payable under the Contract not agreed interest on payments withheld by UNICEF in connection with a dispute. Payment will not relieve the Contractor of its obligations under the Contract and will not be deemed to be acceptance by UNICEF of, or waiver of any of UNICEF’s rights with regard to, the Contractor’s performance.

3.6 Each invoice will conform the Contractor’s basic account details provided to UNICEF as part of the Contractor’s registration process with UNICEF. All payments due to the Contractor under the Contract will be made by electronic funds transfer to that bank account. It is the Contractor’s responsibility to ensure that the bank details supplied to it by UNICEF are up-to-date and accurate and notify UNICEF in writing by an authorized representative of the Contractor of any changes in bank details together with supporting documentation satisfactory to UNICEF.

3.7 The Contractor acknowledges and agrees that UNICEF may withhold payment in respect of any invoice if, in UNICEF’s opinion, the Contractor has not performed in accordance with the terms and conditions of the Contract, or if the Contractor has not provided sufficient documentation in support of the invoice.

3.8 UNICEF will have the right to set off, against any account or amounts due and payable by UNICEF to the Contractor under the Contract, any payments, indebtedness or other claim (including, without limitation, any overpayment made by UNICEF to the Contractor) owing by the Contractor to UNICEF under the Contract or under any other contract or agreement between the Parties. UNICEF will not be required to give the Contractor prior notice before exercising this right of set-off (each notice being waived by the Contractor). UNICEF will promptly notify the Contractor after it has exercised such right of set-off, explaining the reasons for such set-off, provided, however, that the failure to give such notification will not affect the validity of such set-off.

3.9 Each of the invoices paid by UNICEF may be subject to a post-payment audit by UNICEF’s external and internal auditors or by other authorized agents of UNICEF, at any time during the term of the Contract and for three (3) years after the Contract terminates. UNICEF will be entitled to a refund from the Contractor of amounts such audit or audit determinations were not in accordance with the Contract regardless of the reasons for such payments (including but not limited to the actions or inactions of UNICEF staff and other personnel).

4. Representations and Warranties; Indemnification; Insurance

4.1 The Contractor represents and warrants that as of the effective date and throughout the term of the Contract: (a) the Contractor has the full authority and power to enter into the Contract and to perform its obligations under the Contract and the Contract is a legal, valid and binding obligation, enforceable against it in accordance with its terms; (b) all of the information it has previously provided to UNICEF, or that it provides to UNICEF during the term of the Contract, concerning the Contractor and the provision of the Services and the delivery of the Deliverables is true, correct, accurate and not misleading; (c) it is financially solvent and is able to provide the Services to UNICEF in accordance with the terms and conditions of the Contract; (d) it has, and will maintain throughout the term of the Contract, all rights, licenses, authority and resources necessary, as applicable, to provide the Services and deliver the Deliverables to UNICEF’s satisfaction and to perform its obligations under the Contract; (e) the work product in and will be original to the Contractor and does not and will not infringe any copyright, trademark, patent or other proprietary right of any third party; and (f) except as otherwise expressly stated in the Contract, it does not and will not enter into any agreement or arrangement that restrains or restricts any person’s right to use, sell, dispose of or otherwise deal with any Deliverable or other work resulting from the Services. The Contractor will fulfill its commitments with the fullest regard to the interests of UNICEF and will refrain from any action which may adversely affect UNICEF or the United Nations.

4.2 The Contractor further represents and warrants, as of the effective date and throughout the term of the Contract, that it and its Personnel and sub-contractors will perform the Contract and provide the Services and Deliverables (a) in a professional and workmanlike manner; (b) with reasonable care and skill and in accordance with the highest professional standards accorded to professionals providing the same or substantially similar services in a same industry; (c) with priority equal to that given to the same or similar services for the Contractor’s other clients; and (d) in accordance with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract and the provision of the Services and Deliverables.

4.3 The representations and warranties made by the Contractor in Articles 4.1 and 4.2 above are made to and are for the benefit of (a) each entity (if any) that makes a direct financial contribution to UNICEF to procure the Services and Deliverables; and (b) each Government or other entity (if any) that receives the direct benefit of the Services and Deliverables, and from and against all suits, claims, demands, losses and liability of any nature or kind, including their costs and expenses, by any third party and arising out of the acts or omissions of the Contractor or its Personnel or sub-contractors in the performance of the Contract. This provision will extend to but is not limited to (a) claims and liability in the nature of workers’ compensation; (b) product liability, and (c) any actions or claims pertaining to the alleged infringement of a copyright or other intellectual property rights or licenses, patent, design, trade-name or trade-mark arising in connection with the Deliverables or other liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property provided or licensed to UNICEF under the terms of the Contract or used by the Contractor, its Personnel or sub-contractors in the performance of the Contract.

4.5 UNICEF will report any such suits, proceedings, claims, demands, losses or liability to the Contractor within a reasonable period of time after having received actual notice. The Contractor will have sole control of the defense, settlement and compromise of any such suit, proceeding, claim or demand, except with respect to the assertion or defense of the privileges and immunities of UNICEF or any matter relating to UNICEF’s privileges and immunities (including matters relating to UNICEF’s relations with Host Government), which as between the Contractor and UNICEF only UNICEF (or relevant Governmental entity) will assert and maintain. UNICEF will have the right, at its own expense, to be represented in any such suit, proceeding, claim or demand by independent counsel of its own choosing.

Insurance

4.6 The Contractor will comply with the following insurance requirements:

(a) The Contractor will have and maintain in effect with reputable insurers and in sufficient amounts, insurance against all of the Contractor’s risks under the Contract (including, but not limited to, the risk of claims arising out of or related to the Contractor’s performance of the Contract), including the following:

(i) Insurance against all risks in respect of its property and any equipment used for the performance of the Contract;

(b) The Contractor shall maintain the insurance coverage referred to in Article 4.6(a) above during the term of the Contract and for a period after the Contract terminates extending to the end of any applicable limitations period with regard to claims against which the insurance is obtained.

(c) The Contractor will be responsible to fund all amounts within any policy deductible or retention.

(d) Except with regard to the insurance referred to in paragraph (a)(ii) above, the insurance policies for the Contractor’s insurance required under this Article 4.6 will (i) name UNICEF as an additional insured; (ii) include a waiver by the insurer of any subrogation rights against UNICEF; and (iii) provide that UNICEF will receive thirty (30) days’ written notice from the insurer prior to any cancellation or change of coverage.

(e) The Contractor will, upon request, provide UNICEF with satisfactory evidence of the insurance required under this Article 4.6.

(f) Compliance with the insurance requirements of the Contract will not limit the Contractor’s liability either under the Contract or otherwise.

Liability

4.7 The Contractor will pay UNICEF promptly for all loss, destruction or damage to UNICEF’s property caused by the Contractor’s Personnel or sub-contractors in the performance of the Contract.

5. Intellectual Property and Other Proprietary Rights; Data Protection; Confidentiality

5.1 Unless otherwise expressly provided for in the Contract:

(a) Subject to paragraph (b) of this Article 5.1, UNICEF will be entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights and trademarks, with regard to products, processes, inventions, ideas, know-how, documents, data and other materials (“Contract Materials”) that (i) the Contractor develops for UNICEF under the Contract and which bear a direct relation to the Contract or (ii) are produced, prepared or collected in consequence of, or during the course of, the performance of the Contract. The term “Contract Materials” includes, but is not limited to, all maps, drawings, photographs, plans, reports, recommendations, estimates, documents developed or received by, and all other data compiled by or received by, the Contractor under the Contract. The Contractor acknowledges and agrees that Contract Materials constitute works made for hire for UNICEF. Contract Materials will be treated as UNICEF’s Confidential Information and will be delivered only to authorized UNICEF officials on expiry or termination of the Contract.

(b) UNICEF will not be entitled to, and will not claim any ownership interest in, any intellectual property or other proprietary rights of the Contractor that pre-existed the performance by the Contractor of its obligations under the Contract, or that the Contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract. The Contractor grants to UNICEF a perpetual, non-exclusive, royalty-free license to use such intellectual property or other proprietary rights solely for the purposes of and in accordance with the requirements of the Contract.

(c) At UNICEF’s request, the Contractor will take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring them (or, in the case, intellectual property referred to in paragraph (b) above, licensing) them to UNICEF in compliance with the requirements of the applicable law and of the Contract.

Confidentiality

5.2 Confidential Information that is considered proprietary by either Party or that is delivered or disclosed by one Party (“Discloser”) to the other Party (“Recipient”) during the course of performance of the Contract or in connection with the subject matter of the Contract will be held in confidence by the Recipient. The Recipient will use the same care and discretion to avoid disclosures of the Discloser’s Confidential Information as the Recipient uses for its own Confidential Information and will use the Discloser’s Confidential Information solely for the purpose for which it was disclosed to the Recipient. The Recipient will not disclose the Discloser’s Confidential Information to any other party:

(a) except to those of its Affiliates, employees, officers, representatives, agents and sub-contractors who have a need to know such Confidential Information for purposes of performing obligations under the Contract; or

(b) unless the Confidential Information (i) is obtained by the Recipient from a third party without restriction; (ii) is disclosed by the Discloser to a third party without any obligation of confidentiality; (iii) is known by the Recipient prior to disclosure by the Discloser; or (iv) at any time is developed by the Recipient completely independently of any disclosures under the Contract.

5.3 If the Contractor receives a request for disclosure of UNICEF’s Confidential Information pursuant to any judicial or law enforcement process, before any such disclosure is made, the Contractor (a) will give UNICEF sufficient notice of such request in order to allow UNICEF to have a reasonable opportunity to secure the intervention of the relevant national government to establish protective measures or take such other action as may be appropriate and (b) will so advise the relevant authority that required disclosure. UNICEF may disclose the Contractor’s Confidential Information to the extent required pursuant to resolutions or regulations of its governing bodies.

5.4 The Contractor may not communicate at any time to any other person, Government or authority external to UNICEF, any information known to it by reason of its association with UNICEF that has not been made public, except with the prior written authorization of UNICEF; nor will the Contractor at any time use such information to private advantage.

Data Protection and Security

5.5 The Parties agree that, as between them, all UNICEF Data, together with all rights (including intellectual property and proprietary rights), title and interest to such UNICEF Data, will be the exclusive property of UNICEF, and the Contractor has a limited, non-exclusive license to access and use the UNICEF Data as provided in the Contract solely for the purpose of performing its obligations under the Contract. Except for the foregoing license, the Contractor will have no other rights, whether express or implied, in or to any UNICEF Data or its content.

5.6 The Contractor confirms that it has a data protection policy in place that meets all applicable data protection standards and legal requirements and that it will apply such policy to the collection, storage, use, processing, retention and destruction of UNICEF Data. The Contractor will comply with any guidance or conditions on access and disclosure notified by UNICEF to Contractor in respect of UNICEF Data.

5.7 The Contractor will use its reasonable efforts to ensure the logical segregation of UNICEF Data from other information to the fullest extent possible. The Contractor will use safeguards and controls (such as administrative, technical, physical, procedural and security infrastructures, facilities, tools, technologies, practices and other protective measures) that are necessary and sufficient to meet the Contractor’s confidentiality obligations in this Article 5 as they apply to UNICEF Data. At UNICEF’s request, the Contractor will provide UNICEF with copies of the applicable policies and a description of the safeguards and controls that the Contractor uses to fulfill its obligations under this Article 5, provided that any such policies and description provided by the Contractor will be treated as the Contractor’s Confidential Information under the Contract. UNICEF may assess the effectiveness of these safeguards, controls and protective measures and, at UNICEF’s request, the Contractor will provide its full cooperation with any such assessment at no additional cost or expense to UNICEF. The Contractor will not, and will ensure that its Personnel will not, transfer, copy, remove or store UNICEF Data from a UNICEF location, network or system without the prior written approval of an authorized official of UNICEF.

5.8 Except as otherwise expressly stated in the Contract or with UNICEF’s express prior written consent, the Contractor will not install any application or other software on any UNICEF device, network or system. The Contractor represents and warrants to UNICEF that the Services and Deliverables provided under the Contract will not contain any Disabling Code, and that UNICEF will not otherwise receive from the Contractor any Disabling Code in the performance of the Contract. Without prejudice to UNICEF’s other rights and remedies, if a Disabling Code is identified, the Contractor, at its sole cost and expense, will take all steps necessary to: (a) remove and/or recontract any and all UNICEF Data lost by UNICEF and/or End Users as a result of Disabling Code; (b) furnish to UNICEF a corrected version of the Services without the presence of Disabling Codes; and (c) as needed, re-implement the Services.

reasonably informed of the progress of the Contractor's implementation of such damage mitigation and
remedial actions. The Contractor, at its sole cost and expense, will cooperate fully with UNICEF's
investigation of, remediation of, and/or response to any Security Incident. If the Contractor fails to
resolve, to UNICEF's reasonable satisfaction, any such Security Incident, UNICEF can terminate the
Contract with immediate effect.

Service Providers and Sub-Contractors

5.10 The Contractor will impose the same requirements relating to data protection and
non-disclosure of Confidential Information, as are imposed upon the Contractor itself by this Article 5
of the Contract, on its service providers, subcontractors and other third parties and will remain
responsible for compliance with such requirements by its service providers, subcontractors and other
third parties.

End of Contract

5.11 Upon the expiry or earlier termination of the Contract, the Contractor will:

(a) return to UNICEF all of UNICEF's Confidential Information, including, but not limited to,

Contractor or its sub-contractors and confirm such destruction to UNICEF in writing; and

(b) will transfer to UNICEF all intellectual and other proprietary information in accordance with
Article 5.1(a).

6. Termination; Force Majeure

Termination by Either Party for Material Breach
6.1 If one Party is in material breach of any of its obligations under the Contract, the other Party
can give written notice that within thirty (30) days of receiving such notice the breach must be
remedied (if such breach is capable of remedy). If the breaching Party does not remedy the breach
within the thirty (30) days period or if the breach is not capable of remedy, the non-breaching Party
can terminate the Contract. The termination will be effective thirty (30) days after the non-breaching
Party gives the breaching Party written notice of termination. The initiation of conciliation or arbitral
proceedings in accordance with Article 9 (Privileges and Immunities; Settlement of Disputes) below
will not be grounds for termination of the Contract.

Additional Termination Rights of UNICEF
6.2 In addition to the termination rights under Article 6.1 above, UNICEF can terminate the
Contract with immediate effect upon delivery of a written notice of termination, without any liability
for termination charges or any other liability of any kind:

(b) if the Contractor breaches any of the provisions of Articles 5.2-5.11 (Confidentiality; Data

for a moratorium or stays on any payment or repayments obligations, or applies to be declared
insolvent, (ii) is granted a moratorium or a stay, or is declared insolvent, (iii) makes an assignment
for the benefit of one or more of its creditors, (iv) has a receiver appointed on account of the
insolvency of the Contractor, (v) offers a settlement in lieu of bankruptcy or receivership or (vi) has
becomes, in UNICEF's reasonable judgement, subject to a materially adverse change in its financial
condition that threatens to substantially affect the ability of the Contractor to perform any of its
obligations under the Contract.

6.3 In addition to the termination rights under Articles 6.1 and Article 6.2 above, UNICEF can
terminate the Contract at any time by providing written notice to the Contractor in any case in which
UNICEF's mandate applicable to the performance of the Contract or UNICEF's funding applicable to
the Contract is curtailed or terminated, whether in whole or in part. UNICEF can also terminate the
Contract on sixty (60) day's notice to the Contractor without having to provide any
justification.

6.4 As soon as it receives a notice of termination from UNICEF, the Contractor will take
immediate steps to bring the performance of any obligations under the Contract to a close in a
prompt and orderly manner, and in doing so, reduce expenses to a minimum, and will not undertake
any further or additional commitments as of and following the date it receives the termination notice.
In addition, the Contractor will take any other action that may be necessary, or that UNICEF may
direct in writing, in order to minimize losses or protect and preserve any property, whether tangible
or intangible, relating to the Contract that is in the possession of the Contractor and in which
UNICEF has or may be reasonably expected to acquire an interest.

6.5 If the Contract is terminated by either Party, the Contractor will immediately deliver to
UNICEF any finished work which has not been delivered and accepted prior to the receipt of a
notice of termination, together with any data, materials or work-in-process related specifically to the
Contract. If UNICEF obtains the assistance of another party to continue the Services or complete
any unfinished work, the Contractor will provide its reasonable cooperation to UNICEF and each
party in the orderly migration of Services and transfer of any Contract-related data, materials and
work-in-process. The Contractor will at the same time return to UNICEF all of UNICEF's Confidential
Information and will transfer to UNICEF all intellectual and other proprietary information in
accordance with Article 5.

6.6 If the Contract is terminated by either Party no payment will be due from UNICEF to the
Contractor except for Services and Deliverables provided to UNICEF's satisfaction in accordance with
the Contract, but only if such Services and Deliverables were required or requested before the
Contractor's receipt of the notice of termination or, in the case of termination by the Contractor, the
effective date of such termination. The Contractor will have no claim for any further payment beyond
payments in accordance with this Article 6.6, but will remain liable to UNICEF for all lost or
damaged goods which may be suffered by UNICEF by reason of the Contractor's default (including but
not limited to cost of the purchases and delivery of replacement or substitute Services or Deliverables).

6.7 The termination rights in this Article 6 are in addition to all other rights and remedies of
UNICEF under the Contract.

Force Majeure
6.8 If one Party is rendered permanently unable, wholly, or in part, by reason of force majeure
to perform its obligations under the Contract, the other Party may terminate the Contract on the
same terms and conditions as are provided for in Article 6.1 above, except that the period of notice will
be seven (7) days instead of thirty (30) days. "Force majeure" means any unforeseeable and
irresistible events arising from causes beyond the control of the Parties, including acts of nature, any
act of war (whether declared or not), invasion, revolution, insurrection, terrorism or other acts of a
similar nature or force. "Force majeure" does not include (a) any event which is caused by the
negligence or intentional action of a Party; (b) any event which a diligent party could reasonably have
been expected to take into account and plan for at the time the Contract was entered into; (c) the
insufficiency of funds, inability to make any payment required under the Contract, or any economic
conditions, including but not limited to inflation, price escalations, or labour availability; or (d) any
event resulting from harash conditions or logistical challenges for the Contractor (including civil unrest)
associated with locations at which UNICEF is operating or is about to operate or is withdrawing from,
or any event resulting from UNICEF’s humanitarian, emergency, or similar response operations.

7. Ethical Standards
7.1 Without limiting the generality of Article 2 above, the Contractor will be responsible for the
professional and technical competence of its Personnel including its employees and will select, for
work under the Contract, reliable individuals who will perform effectively in the implementation of
the Contract, respect the local laws and customs, and conform to a high standard of moral and
ethical conduct.

7.2 (a) The Contractor represents and warrants that no official of UNICEF or any United
Nationa System organization has received from or on behalf of the Contractor, or will be offered by
or on behalf of the Contractor, any direct or indirect benefit in connection with the Contract,

(ii) During the two (2) year period after an official has separated from UNICEF, that former official may not directly or indirectly on behalf of the Contractor, communicate with UNICEF, or present to UNICEF, about any matters that were within such former official’s responsibilities while at UNICEF.

(c) The Contractor further represents that, in respect of all aspects of the Contract (including the award of the Contract by UNICEF to the Contractor and the selection and awarding of sub-contracts by the Contractor), it has disclosed to UNICEF any situation that may constitute an actual or potential conflict of interests or could reasonably be perceived as a conflict of interest.

7.3 The Contractor further represents and warrants that neither it nor any of its Affiliates, Personnel or Directors, is subject to any sanction or temporary suspension imposed by any United Nations System Organization or other international inter-governmental organization. In particular, the Contractor will not engage, and will ensure that its Personnel, agents and sub-contractors do not engage, in any corrupt, fraudulent, coercive, obstructive or obstructive conduct as such terms are defined in UNICEF’s Policy Prohibiting and Combating Fraud and Corruption.

7.5 The Contractor will, during the term of the Contract, comply with (a) all laws, ordinances, rules and regulations bearing upon the performance of its obligations under the Contract and (b) the standards of conduct required under the UN Supplier Code of Conduct (available at the United Nations Global Marketplace website - www.unsgm.org).

7.7 The Contractor represents and warrants that it has taken and will take all appropriate measures to prevent sexual exploitation or abuse of anyone by its Personnel including its employees or any persons engaged by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, will constitute the sexual exploitation and abuse of such person. In addition, the Contractor represents and warrants that it has taken and will take all appropriate measures to prohibit its Personnel including its employees or other persons engaged by the Contractor, from exchanging any money, goods, services, or other things of value, for sexual favours or activities or from engaging in any sexual activities that are exploitative or degrading to any person. This provision constitutes an essential term of the Contract and any breach of this representation and warranty will entitle UNICEF to terminate the Contract immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.

7.8 The Contractor will indemnify UNICEF as soon as it becomes aware of any incident or report that is inconsistent with the undertakings and confirmations provided in this Article 7.

7.9 The Contractor acknowledges and agrees that each of the provisions in this Article 7 constitutes an essential term of the Contract.

(a) UNICEF will be notified, in its sole discretion and at its sole choice, to suspend or terminate the Contract and any other contract between UNICEF and the Contractor with immediate effect upon written notice to the Contractor if (i) UNICEF becomes aware of any incident or report that is inconsistent with, or the Contractor breaches any of, the undertakings and confirmations provided in this Article 7 or the equivalent provisions of any contract between UNICEF and the Contractor or any of the Contractor’s Affiliates, or (ii) the Contractor or any of its Affiliates, Personnel or directors becomes subject to any sanction or temporary suspension described in Article 7.5 during the term of the Contract.

(b) In the case of suspension, if the Contractor takes appropriate action to address the relevant incident or breach to UNICEF’s satisfaction within the period specified in the notice of suspension, UNICEF may lift the suspension by written notice to the Contractor and the Contract and all other affected contracts will resume in accordance with their terms. If, however, UNICEF is not satisfied that the matters are being adequately addressed by the Contractor, UNICEF may at any time, exercise its right to terminate the Contract and any other contract between UNICEF and the Contractor.

(c) Any suspension or termination under this Article 7 will be without any liability for termination or any other liability of any kind.

The Contractor will provide its full and timely cooperation with any such inspections, post-payment audits or investigations, including but not limited to making its Personnel and any relevant data and documentation available for the purposes of such inspections, post-payment audits or investigations, at reasonable times and on reasonable conditions, and granting UNICEF and those undertaking such inspections, post-payment audits or investigations access to the Contractor’s premises at reasonable times and on reasonable conditions in connection with making its Personnel and any relevant data and documentation available. 9.2 The terms of the Contract will be interpreted and applied without application of any system of national or sub-national law.

The decision of the arbitral tribunal will be final and binding on the Parties. The arbitration award will be final and binding on the Parties.
