* For the most popular baby names in different countries, World Data Lab (WDL) collected information on the most common names over recent years. The data included lists of the most popular names and the frequencies with which names were chosen. After that, WDL analyzed the underlying trends and popularity. Based on these insights, World Data Lab estimated the current top ten baby names in 20 countries specified by UNICEF.

Italy	Japan	Netherlands	New Zealand	Poland
Sofia	Haruto	Emma	Oliver	Antoni
