Data shows awarded price per dose (in US\$) per product per supplier per calendar year, based on contract commencement.

Where contracts include a range of prices during a calendar year period or for different countries or groups of countries, prices will be shown as a range.

Any financial discounts not included, e.g. due to expedited payments.

A few suppliers have not agreed to the publication their price information but we hope to be able to publish them in the future.

Prices displayed are in response to tenders with both FCA and CPT incoterms, covering vaccines with and without VVMs.
