Technical officer

24 – 26 September 2012

ROLE OF GDF

- **Public Sector procurement of TB drugs**, of the right quality, in the right quantity, at the right price, and deliver them at the right time to the right people
- Provide **Technical Assistance** by monitoring PSM in countries utilising GDF's services and highlight system strengthening requirements.

GDF Model

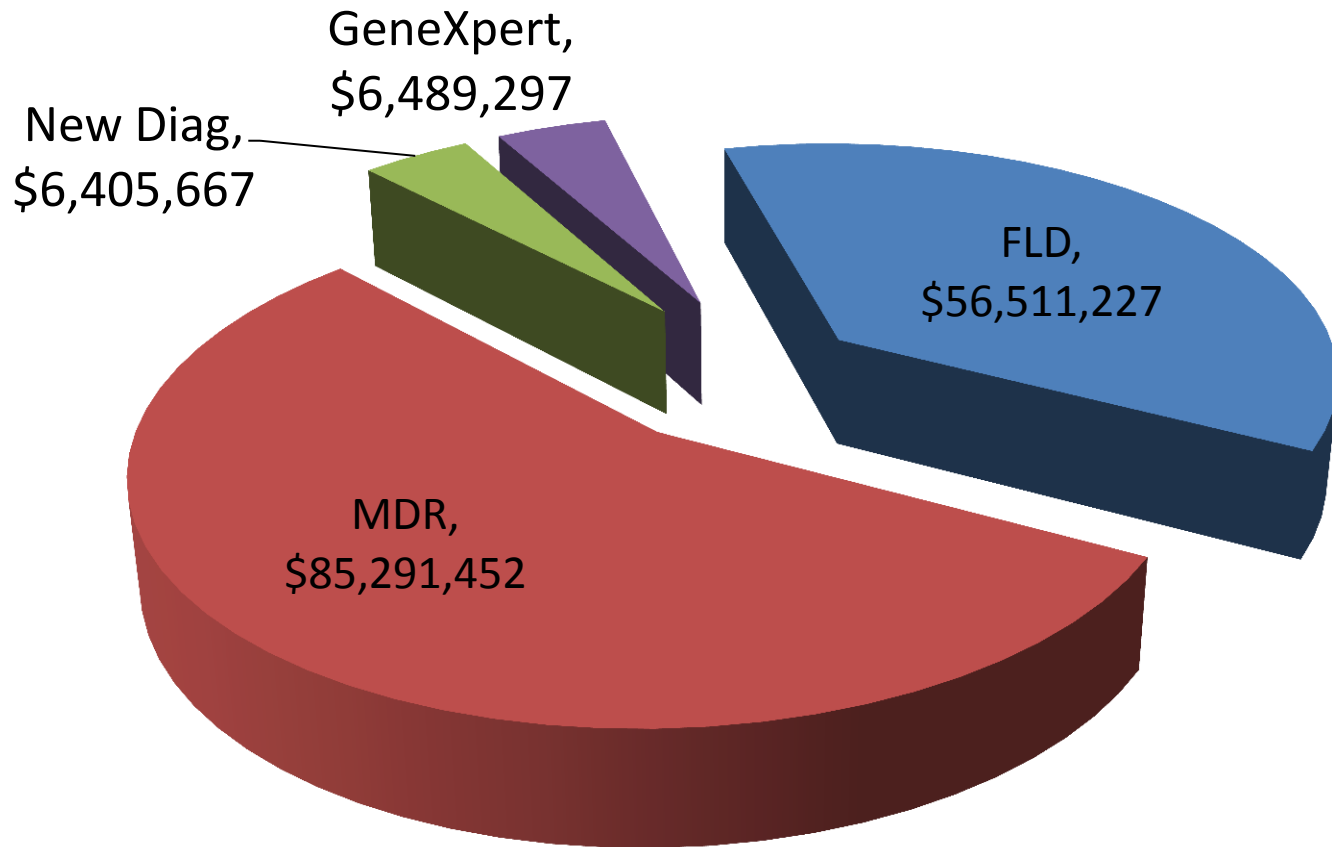

GDF PROCUREMENT PROCESS

- Expressions of interest for TB manufacturers issued jointly by GDF and Global Fund.
- Competitive bidding process conducted by GDF. Bids issued to prequalified manufacturers (site and product). Fair, transparent, quality, best value for money.
- Public bid opening.
- Commercial evaluation: price, delivery period, production capacity, manufacturer's geographic location, minimum batch quantity, reliability.
- Contract award – long term agreements (LTA) implemented to multiple suppliers for the same products to avoid monopolies/ensure timely deliveries.
