 The WAP for Rota-5 consists of a.) a number of doses to be procured at \$5.00 for a single country in 2013-2015, with free of charge doses to be made available in 2015-2016 based on achieving the required number of doses to be procured, and b.) contracted quantities for other countries at \$3.50.
 Due to varying price ranges from suppliers within each vaccine presentation, the weighted average price indicated may not reflect the actual price. Actual prices are available on UNICEF's website at http://www.unicef.org/supply/index_57476.html.
