Wishes to invite you to submit a proposal for the

**Mapping and Analysis of the Child Protection System in Greece**

Proposals must be submitted via UNICEF Web Bidding Tool:
https://ungm.in-tend.co.uk/unicef-pfp/aspx/Home

The purpose of this Request for Proposal (RFP) is to seek proposals from qualified companies to provide UNICEF and other key stakeholders with a mapping and analysis of the Child Protection System in Greece.

The specific objective of the study is:

To better understand the functionality and dynamics of the CP system at the municipal level (with a focus on two municipalities) as it pertains to the protection of refugee and migrant children with a view to:

- a) Understanding the congruence of this system in practice in light of the overall national system response;
- b) Informing CP planning for the growing urban response to refugee and migrant populations, and;
- c) Identifying entry points for strengthening the immediate and medium term functionality of the system.

Should your company be qualified and interested in this bidding opportunity, please register in the UNICEF-PFP e-tendering system to access the complete RFP package - please follow the registration procedure attached to this notification.
