**PROCUREMENT SERVICES TO BE OFFERED**

2. For the term of this Memorandum of Understanding, UNICEF will offer Procurement Services to the GOVERNMENT (a) in respect of Standard Supplies, (b) in respect of Non-Standard Supplies where the specifications for such Non-Standard Supplies provided to UNICEF are clear and complete and (c) in respect of Services where the Terms of Reference have been set out in writing by UNICEF.

3. The GOVERNMENT undertakes to ensure that all Supplies and Services procured in accordance with this Memorandum of Understanding are for use in connection with activities and projects that promote the well being of children.

**REQUESTS FOR PROCUREMENT SERVICES**

4. The GOVERNMENT will request Procurement Services in accordance with this Memorandum of Understanding by delivering to UNICEF a completed Request for Procurement Services.

5. Each Request for Procurement Services will include the estimated total costs of the requested Supplies based on the then-current UNICEF Supply Catalogue and Price List or estimates earlier provided by UNICEF.

6. Upon receipt of a Request for Procurement Services, UNICEF will notify the GOVERNMENT of whether the Request for Procurement Services is accepted, is declined or is incomplete. UNICEF reserves the right to decline any Request for Procurement Services delivered pursuant to this Memorandum of Understanding.

7. In case of acceptance, UNICEF’s notice will be accompanied by a Cost Estimate for delivery of the requested Supplies. The acceptance is conditional on the GOVERNMENT’s consent to the Cost Estimate. The Cost Estimate will contain positions for the cost of the Supplies, delivery (freight), insurance, any other related Services, UNICEF’s handling charge and a contingency buffer. The purpose of the buffer is to...
cover price and currency exchange rate fluctuations. An unused buffer or an unused share thereof is refundable. The buffer can be waived under exceptional circumstances.

**CONTRACT UPON ACCEPTANCE OF REQUEST FOR PROCUREMENT SERVICES**

8. A Request for Procurement Services accepted in accordance with this Memorandum of Understanding, and the UNICEF notice of acceptance, will together constitute a contract between UNICEF and the GOVERNMENT, governed by the terms and conditions of this Memorandum of Understanding.

9. Contract amendments, including amendments as to the quantity of Supplies or scope of Services, may only be made by subsequent written agreement between UNICEF and the GOVERNMENT. The GOVERNMENT will be responsible for any costs, including any penalties imposed by the original manufacturer / supplier of the Supplies or service provider, resulting from an amendment entered into at the GOVERNMENT’s request. Equally, UNICEF will credit the GOVERNMENT with any cost savings.

**PAYMENT**

10. Upon receipt of UNICEF’s notice accepting a Request for Procurement Services, the GOVERNMENT will make advance payment of the amount as set out in the accompanying Cost Estimate.

11. The GOVERNMENT will make payment by transferring that amount to the UNICEF bank account set out in UNICEF’s notice accepting the Request for Procurement Services. No Request for Procurement Services will be acted upon by UNICEF until the payment due has been made.

12. The GOVERNMENT will be liable for payment of (a) price increases resulting from the difference between prices given in the Cost Estimate and actual prices to be paid by UNICEF to the selected supplier(s) or service provider(s), including variations in freight costs, as well as currency exchange fluctuations or other incidental costs, and (b) any subsequent increase in UNICEF’s handling fee. Similarly, the GOVERNMENT will be credited in the case of cost decreases. For Warehouse Items the provisions of this clause apply in the sense that prices are set and updated in regular intervals by UNICEF.

**PROCUREMENT SUBJECT TO UNICEF’S PROCEDURES**

13. Supplies and Services will be procured in accordance with UNICEF’s rules, regulations, and procedures for procurement and financial regulations and rules. On a case-by-case
basis, UNICEF may entrust execution of a GOVERNMENT’s Procurement Services request to UN partner Agencies, which shall apply their respective procurement and financial rules and regulations. UNICEF will forward to the GOVERNMENT copies of purchase orders placed on behalf of the GOVERNMENT.

DELIVERY OF SUPPLIES

Shipment and Insurance

14. The GOVERNMENT or its nominated representative will be the consignee of the Supplies. UNICEF will not serve as consignee of the Supplies. UNICEF will arrange for shipment of the Supplies to the port of entry designated by the GOVERNMENT. UNICEF or UNICEF’s designated freight forwarder will send copies of relevant shipping documents and required product quality assurance documents (bill of lading, Air Way Bill, Certificate of Analysis, etc.) to the consignee. UNICEF shall inform the GOVERNMENT of any potential or actual delivery delay as soon as UNICEF obtains information on such delay.

15. All Supplies will be delivered on Carriage and Insurance Paid (CIP) (INCOTERMS 2020) to the port of entry designated in the Cost Estimate, unless otherwise agreed to in writing. If UNICEF agrees to self insurance by the GOVERNMENT, UNICEF will require that the GOVERNMENT produces proof satisfactory to UNICEF that the shipment will be adequately covered by insurance.

Vaccines

16. UNICEF will arrange for air shipment of vaccines. UNICEF will provide the following documents/information to the consignee by email or fax at least five (5) working days before arrival of the vaccines: (i) Flight details, (ii) Air Way Bill, (iii) supplier’s invoice, (iv) packing list, (v) Release Certificate(s) issued by the relevant National Regulatory Authority for the vaccine lot supplied. For the documents listed hereafter, one set will be attached to the consignment and one set will be placed inside shipping carton no. 1: the aforementioned documents (ii) – (v) and a Vaccine Arrival Report (VAR) form, unless specified otherwise in the packing list due to particular packing needs.

UNICEF requests that the VAR form be completed, signed and returned to the respective UNICEF Country Office within seventy two (72) hours of delivery of the vaccines. A completed VAR form may, however, neither be interpreted a) as an indication, express or implied, on the part of UNICEF of agreement to or acceptance of any form of liability,
claims or other form of obligation related to the data entered in the form, nor b) as prima facie evidence related to the technical conformity or quality of shipped vaccines.

**Inspection of Supplies Prior to Shipment**

17. UNICEF may, on request, make provision for inspection of Supplies prior to shipment. The cost, if any, of such inspection will be set out in the Cost Estimate or an amendment thereto.

**Customs Clearance**

18. The GOVERNMENT will be fully responsible for reception at the port of entry, customs clearance and distribution of all Supplies, unless otherwise provided for in this Memorandum of Understanding or in the Cost Estimate. Irrespective of agreed, exceptional arrangements for UNICEF to provide services related to customs clearance, the GOVERNMENT remains liable for paying any taxes, toll or other duties.

19. UNICEF will not accept the return of Supplies procured for the GOVERNMENT; provided however that in exceptional circumstances and with the prior written agreement of UNICEF, Warehouse Items may be returned to UNICEF, Supply Division, Copenhagen, at the GOVERNMENT’s expense.

**Delivery of Services**

20. Services will be deemed delivered when effected. If UNICEF provides Services and these Services require that the GOVERNMENT obtains or assists with obtaining permits, licenses and other official approvals or that the GOVERNMENT furnishes powers of attorney or other authorizations to UNICEF, the GOVERNMENT shall cooperate in a timely and expeditious manner.

**Final Account**

21. After shipment of all Supplies and/or delivery of Services, and recording of all expenses incurred, UNICEF will prepare a statement of account to be forwarded to the GOVERNMENT, covering the total cost of the Procurement Services, and shall include any variation in cost, including penalties, if any, and credits due to decreases in price or quantities of Supplies / scope of Services.

22. The statement of account will be expressed in United States dollars. The United Nations operational rate of exchange shall apply to all currency conversions under this
Memorandum of Understanding and all contracts entered into pursuant to this Memorandum of Understanding.

23. In the event that the statement of account indicates a balance in favor of the GOVERNMENT, the GOVERNMENT will be requested to instruct UNICEF whether that amount is to be retained for further transactions or is to be refunded. In the event that the statement of account indicates a deficit in the funds deposited with UNICEF and the buffer was not sufficient to cover this deficit, the GOVERNMENT will, within thirty (30) days from notification by UNICEF, make the additional payments to the same bank account and in the same currency as the original deposit was made in order to settle the account.

24. If UNICEF does not receive a response within two (2) years after its request for instructions from the GOVERNMENT on disposition of a positive balance, and after sending out a written reminder, the balance will be considered a donation to UNICEF.

**WARRANTY; LIABILITY**

25. UNICEF is liable for executing Procurement Services requests with reasonable diligence. Beyond this commitment, UNICEF does not assume liability, express or implied, written or oral, with regard to delivery delay, loss or damage, value, freedom from fault or infringement of Supplies, product quality, efficiency, characteristics, suitability or usefulness, and third party Services. For delivery of Services with own resources, UNICEF does not assume liability except where arising from gross negligence, misconduct or intent. UNICEF’s total liability, in any event, shall not exceed the order value of the procurement services with respect to which a claim is made. In no event shall UNICEF be liable for incidental, indirect, consequential or immaterial losses or damages, or for lost revenues or profits. In case of dispute on the technical conformity or quality of WHO pre-qualified vaccines and WHO-approved pharmaceuticals, the GOVERNMENT accepts final assessment by WHO.

26. To the extent legally possible, UNICEF will pass on to the GOVERNMENT any warranty offered, minimum shelf life assurance (for pharmaceuticals and vaccines), and liability entered by the supplier or service provider.

27. All claims related to any defect in quality or other non-conformity of Supplies or for any loss or damage shall be handled directly by the GOVERNMENT with the original manufacturer, supplier, or insurance underwriter. UNICEF will provide to the
GOVERNMENT any assistance that the GOVERNMENT may reasonably request in handling such claims.

28. UNICEF accepts no liability for any third party claims arising out of or in connection with its performance under any contract for Procurement Services entered into in accordance with this Memorandum of Understanding. The GOVERNMENT will indemnify, deal with, defend and hold UNICEF harmless in connection with any third party claim or other cause of action arising out of or related to any such contract.

29. The majority of UNICEF contracts with suppliers and manufacturers contains a clause on liquidated damages, allowing collection of lump-sum damages from the supplier / manufacturer for a delay in delivery. Wherever possible to execute and claim liquidated damages, the received amount will be payed out to the GOVERNMENT. Where there is no liquidated damages provision in long-term arrangements with suppliers / manufacturers, UNICEF will undertake best efforts to include such a provision in relevant Purchase Orders to be placed on behalf of the GOVERNMENT. Where long-term arrangements with suppliers are not available and commodities must be procured through public bid, UNICEF will include a liquidated damages clause in bidding documents, unless this is not advisable for the commodity concerned, in which case UNICEF shall coordinate with the GOVERNMENT accordingly before placing the bid.

Where the PARTIES wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the UNCITRAL Conciliation Rules then in force, or according to such other procedure as may be agreed between the PARTIES. The PARTIES shall be bound by an arbitration award rendered as a result of such arbitration as the final adjudication of such dispute.
