(c) trial operation to demonstrate that the Works perform reliably and in accordance with the Contract.
The Engineer shall be given not less than twenty one (21) days’ notice before any testing and/or commissioning of the Works and shall be entitled to attend any testing and commissioning of the Works. The Engineer shall be promptly provided with all results of any testing and/or commissioning.

Trial operation shall not constitute taking over of the Works and any product produced by the Works during trial operation shall be the property of UNICEF.

If any Works fail to pass any tests carried out pursuant to this clause 7.5:

(a) the Engineer may refuse to carry out the inspection under clause 6.1 and/or to issue the Certificate of Substantial Completion;

(c) if the failure of the tests deprives UNICEF and/or the Beneficiary of substantially the whole benefit of the Works or any part of the Works, UNICEF may terminate this Contract and recover all sums paid for the Works plus financing costs and all costs arising from the termination.

If instructed by UNICEF the Engineer may, without prejudice to UNICEF’s rights under this Contract in connection with the failed tests, issue the Certificate of Substantial Completion and reduce the Contract Price to reflect the reduced value of the Works to UNICEF.

### 7.6 Joint Inspection Prior to Substantial Completion

During trial operation and prior to any inspection under clause 6.1, the Contractor shall notify the Engineer if it considers that the Works are performing reliably and in accordance with the Contract and that the tests have been passed and show that the Works conform to the requirements of the Specification.

The Contractor shall as soon as possible (and within fourteen (14) days) after becoming aware of circumstances giving rise to any potential extension of time under clause 5.5 and/or a potential Variation, notify the Engineer in writing and provide sufficient detail of additional costs or delay to enable the Engineer to make a proper assessment of the extension of time and/or potential Variation. The Contractor shall use all reasonable endeavours to minimise the effect of any circumstances giving rise to an extension of time and/or a Variation.

Notwithstanding any other provision of this Contract, the Contractor shall not be entitled to i) any extension of time in connection with any circumstances which are concurrent with any other cause of delay for which the Contractor is not entitled to an extension of time and/or ii) any additional payment and/or an extension of time:

The Contract Price shall be a fixed price lump sum and the Contractor shall not be entitled to any increase in the Contract Price, any change in any rates and/or to any further payment under this Contract except as expressly provided in this Contract. The Contractor shall be deemed to have satisfied himself of the adequacy of the Contract Price to cover all his obligations under the Contract. Any quantities set out in the Schedule of Payments and/or any bill of quantities forming part of the Contract are not taken to be actual or correct
quantities of the Works which the Contractor is required to execute and the Contractor shall not be entitled to any increase in the Contract Price, any additional payment and/or an extension of time as a result of any difference between the quantities provided and the quantities in the Schedule of Payments and/or any bill of quantities.

10.7 Delayed Payment

The Contractor shall not be entitled to interest on any late payment or non-payment any sums payable under the Contract. Payment shall not relieve the Contractor of its obligations under the Contract and shall not be deemed to be acceptance by UNICEF of the Works.

10.8 Tax Exemption

The Contractor authorizes UNICEF to deduct from the Contractor’s invoices any amount representing direct taxes (except charges for utilities services) and customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for UNICEF’s official use in accordance with the exemption from tax in Article II, Section 7 of the Convention of the Privileges and Immunities of the United Nations, 1946.
