Data shows awarded price per dose (in US\$ or EUR) per product per supplier per calendar year, based on supply agreements.

For products priced in EURO, the actual price to countries will be in US\$ based on the UN exchange rate US\$/EURO on the date of payment of supplier's invoice.

Prices displayed are in response to tenders with FCA incoterms.

* **Special terms and conditions apply to the 2022 price**

** **Pricing tiers:**

The pricing tiers offered by the supplier are based on GNI per capita as well as considering each country's overall level of development by adjusting the GNI per capita to account for inequities in wealth distribution within each country.

Tier 1 countries: Cape Verde, Egypt, Morocco, Palestine, Philippines, Samoa, Swaziland, Vanuatu

Tier 2 countries: Albania, Algeria, Fiji, Iran, Macedonia, Maldives, Namibia, Serbia, Thailand, Tongo, Tunisia, Turkmenistan

Tier 3 countries: Botswana, Gabon, Lebanon, Mauritius, Seychelles, Tuvalu

Pricing tiers applicable to other Middle Income Countries would need to be confirmed by supplier on a country-by-country basis.
