NUTRITION UNIT  
TENTATIVE BID PLAN 2022

21 December 2021

The Nutrition Unit procures nutritional products (therapeutic food and supplementary food) and pharmaceuticals (related to prevention and treatment of micronutrient deficiencies). This bid plan lists standard items to be supplied to UNICEF warehouse in Copenhagen or to UNICEF Country Offices and Partners

a/ This document is the Bid Plan for the renewal of Long-Term Arrangements expiring in 2022 and early 2023. Quantities are indicative for a 2-year period and will be refined as tenders are issued.

b/ **Manufacturers** (not traders) should indicate which products they are interested in quoting, by email to [sd.nutritionsupplies@unicef.org](mailto:sd.nutritionsupplies@unicef.org) with clear reference to item code(s).

c/ UNICEF reserves the right to accept or reject any Expression of Interest, to initiate or annul any tender exercise at any time, without thereby incurring any liability to the affected Suppliers/Manufacturers or any obligation to inform the affected Suppliers/Manufacturers of the grounds for UNICEF's action.
