CALL TO ACTION

Region: Koboko District Local Government

1. The District Nutrition Coordination Committee (DNCC) was established to coordinate and monitor the implementation of nutrition-sensitive actions. The committee is chaired by the District Commissioner and members include representatives from various sectors.
2. The DNCC oversees the implementation of the District Nutrition Action Plan (DNAP), which is aligned to the Uganda National Nutrition Action Plan (NNAP) and the Sector Development Plan (2015/16-2020/21).
3. The DNCC meets monthly to review progress and address any challenges.

CHALLENGES & SAFETY

1. Limited capacity to support DNCC members to conduct effective monitoring and evaluation.
2. Inadequate coordination with other stakeholders.
3. Lack of sufficient budget allocation for nutrition.

CARE FOR ALL

1. Strengthen the coordination and monitoring机制 of the DNCC.
2. Ensure that the DNCC is adequately resourced to carry out its mandate.
3. Establish clear communication channels between the DNCC and other stakeholders.

RESPONSIBLE

1.幛
2. KCC
3. PDP
4. NCA

Affordable, nutritious and safe food is available to all, and the health and well-being of all children are promoted.
