The Gender Action Plan 2018-2021

Gender equality outcomes across all goals of the Strategic Plan, spanning development and humanitarian contexts

**Targeted**
- Empowerment and wellbeing for adolescent girls
  - Nutrition, pregnancy care, HIV and HPV prevention
  - Girls’ secondary education and skills
  - Gender-based violence in emergencies
  - Child marriage and early unions

**Integrated**
- Every child learns
- Every child is protected from violence and exploitation
- Every child lives in a safe and clean environment
- Every child has an equitable chance in life
- Positive gender socialisation for girls and boys

**STRATEGIC PLAN GOALS**
- Gender equality for girls and boys and in care and support for all children
- Gender equitable health care and nutrition
- Quality maternal care
- Gender equity in community health systems
- Gender equality in access, retention and learning
- Gender equality in teaching and education systems
- Prevention of and response to gender-based violence against girls and boys
- Gender-responsive water and sanitation systems
- Gender equality in access, retention and learning
- Gender equality in teaching and education systems
- Prevention of and response to gender-based violence against girls and boys
- Gender-responsive water and sanitation systems
- Positive gender socialisation for girls and boys

**GAP programming principles**
- at-scale
- innovative
- evidence-based/data-generating
- expert-led
- well-resourced

- Using high quality gender data and evidence to analyze barriers and bottlenecks to equality and design gender-responsive programmes.
- Strategic partnerships for stronger results and greater reach.
- Investing resources to achieve results at scale.
- UNICEF’s GenderPro builds capacity of Gender Focal Points, Gender Specialists and Sectoral Specialists.
- Increase diversity and gender parity among staff, with more women in senior roles.
- Accountability through strong leadership, monitoring and oversight.

**Every child**
- Every child learns
- Every child is protected from violence and exploitation
- Every child lives in a safe and clean environment
- Every child has an equitable chance in life
- Every child survives and thrives
- Every child is protected from violence and exploitation
- Every child lives in a safe and clean environment
- Every child has an equitable chance in life

**STRATEGIC PLAN GOALS**
- Gender equality and wellbeing for girls and boys and in care and support for all children
- Gender equitable health care and nutrition
