SPECIFIC TERMS AND CONDITIONS

Title: Institutional Consultancy to Strengthen Zimbabwe's Inclusive Early Childhood Education (ECE)
System: An Integrated Framework for Operational Evidence, System Accountability, and Strategic Financing.

Purpose: The purpose of this consultancy is to develop adequate documentation to support evidence-based decision-making, strengthen accountability, and position inclusive ECE as a pro-equity investment priority through:

1. Producing a Zimbabwe Country Case Study on Learner Support Services (LSS)
2. Developing a Country Accountability Tracker for Quality Inclusive ECE
3. Generating a Disability-Inclusive Investment Case and 2 Policy Briefs

Duration: Duration 80 days over 4 months

Location: National

1. Background

Zimbabwe has demonstrated strong legislative and policy commitment to advancing inclusive Early Childhood Education (ECE), aligned with national priorities and global frameworks such as the UN Convention on the Rights of Persons with Disabilities (UNCRPD) and Sustainable Development Goal 4. The sector is anchored in a progressive policy environment, including Section 75 of the Constitution, the Education Amendment Act (2020), the National Disability Policy (2021), and the Early Learning Policy (2023). This foundation was further strengthened by the Persons with Disabilities Act (2025), which signals a shift from welfare based to a rightsbased approach, placing clear legal obligations on the Ministry of Primary and Secondary Education (MOPSE) to institutionalize Universal Design for Learning, remove barriers, and provide reasonable accommodation across early learning systems.

Despite this enabling framework, translating policy into equitable, quality service delivery remains a challenge. According to EMIS 2025, ECD enrolment declined from 679,582 in 2023 to 641,295 in 2025, with persistent rural concentration. While gender parity is generally observed, emerging disparities increasingly affect girls. Evidence from the 2026 Disability Inclusive Pre-Primary Sub-Sector Analysis (DIPSSA) highlights significant intersectional inequalities, particularly for children with disabilities, especially girls in rural and underserved areas who face barriers such as long distances to school, socio-cultural constraints, and inadequate disability-responsive infrastructure, including Water, Sanitation, and Hygiene (WASH) facilities. Although informal ECD centers demonstrate relatively better gender parity, participation in formal, regulated settings remains lower, raising concerns about both access and quality.

System-level bottlenecks further constrain progress. These include limited practical guidance on inclusive pedagogy, misalignment between teacher training and classroom realities, and insufficient capacity among educators to deliver inclusive learning. Learner Support Services (LSS) are fragmented, with weak coordination across education, health, and social protection sectors, and incomplete implementation of referral systems. Public financing remains constrained and heavily skewed toward salaries, leaving limited resources for assistive technologies, inclusive infrastructure, and other critical inputs. In addition, data systems lack sufficient disability-disaggregated information, restricting evidence-based planning, while accountability mechanisms for tracking inclusive ECE quality are underdeveloped.

Efforts to address these gaps include the Model Inclusive Infant Education Facility (MIIEF) initiative (2017#2024), which demonstrated promising approaches to early identification, inclusive pedagogy, and multisectoral coordination. However, the model has yet to be scaled nationally due to the absence of a standardized, costed framework and robust monitoring systems. More broadly, there is a growing need to strengthen the evidence base on how inclusive ECE interventions particularly LSS function in

practice, enhance system accountability, and articulate a stronger economic case for investing in disability-inclusive early learning.

Against this backdrop, UNICEF Zimbabwe, in partnership with MOPSE, is commissioning a consultancy to strengthen inclusive ECE systems through the development of key analytical and policy tools. These include a country case study on Learner Support Services, an accountability tracker for inclusive ECE, and a disability-inclusive investment case supported by targeted policy briefs. Together, these outputs aim to strengthen evidence use, enhance accountability, and support advocacy for increased investment, ultimately contributing to the effective, scalable, and sustainable delivery of inclusive early learning for all children in Zimbabwe.

2. Justification

Despite ongoing government and partner efforts, there remains a critical need for specialized, independent expertise to conduct rigorous system-level analysis and produce high-quality evidence products. UNICEF staff are supporting MOPSE efforts and coordinating and providing oversight to the process. The consultancy demands sustained, full-time focus over several consecutive weeks for fieldwork, data collection, transcription, analysis, and drafting. Additionally, the assignment requires specialized skills in qualitative research design, evidence synthesis, and production of high-quality knowledge products. To maintain objectivity and credibility in the findings, particularly where program performance or system functionality is being assessed, it is also important that the work be carried out by an independent expert.

3. Objective

The overarching objective of this institutional consultancy is to leverage the 2026 DIPSSA diagnostic foundations to co-create an integrated suite of systems-strengthening and public finance advocacy products for MOPSE and UNICEF Zimbabwe.

The specific, interconnected objectives are:

Objective 1 (Evidence-Generation): To conduct a mixed-methods evaluation of the operational realities, structural blockages, and intersectional barriers within the "identify#refer#support#enroll" pathway of Learner Support Services (LSS), Model Inclusive Infant Education Facilities(MIIEF), including the effectiveness, efficiency and scalability of digital learner profiling systems as a driver of inclusive service delivery.

Objective 2 (Governance and System Tracking): To design, validate, and pilot a digitized national ECE Accountability Tracker framework#fully aligned with EMIS and the Washington Group CFM architecture#to monitor state compliance with the statutory mandates of the Persons with Disabilities Act 2025 and track performance against a standardized "Minimum Inclusive ECD Package".

Objective 3 (Strategic Financing and Macro Advocacy): To formulate an evidencebased, costed Disability-Inclusive Investment Case accompanied by two policy briefs on macro-fiscal simulations (including a cost-of-inaction model and fiscal space options) to advocate for increased Treasury budget allocations and leverage global partnership windows (e.g. Global Partnership for Education - GPE).

4. Scope of the assignment

The institutional consultant will lead the design and implementation of an integrated body of analytical and policy-oriented work to strengthen inclusive Early Childhood Education (ECE) systems in Zimbabwe. The

institutional consultant will engage relevant government and sector stakeholders throughout the process to validate findings, ensure policy relevance, and support national, regional, and global knowledge sharing.

The institutional consultant will operationalize the assignment through an integrated Theory of Change:

A. Workstream 1: Evidence-generation

Field Evaluation of LSS and MIIEF Pathways, including Digital Learner Profiling Systems

#Identifies operational blockages (Identification, Referrals, Teacher Capacity gaps) and data use constraints

#Assesses effectiveness and scalability of digital learner profiling within the LSS pathway

#Maps intersectional, gendered, and rural-specific exclusion parameters

B. Workstream 2: Governance and compliance

National Accountability Tracker

#Translate field realities into a standardized "Minimum Inclusive ECD Package"

#Indicators for compliance with the Persons with Disabilities Act 2025 and EMISChild Friendly Model

C. Workstream 3: Investing in equity

Costed National Investment Case and Public Finance for Children (PF4C) Advocacy

#Precise financial unit costs to the elements defined in the Tracker

#Model macroeconomic "Cost of Inaction" (lifetime human capital loss, dependency ratios, etc.)

#Identify domestic fiscal space formulas and leverages global aid architecture (e.g., GPE)

By linking these components, the ToRs provides the Government of Zimbabwe with a complete path for development:

#The Case Study diagnoses the issue,

#The Tracker builds permanent monitoring architecture, and

#The Investment Case provides a financial strategy to make the system sustainable.

5. Specific Tasks for Workstreams

The selected institution is required to ensure that data structures, cost parameters, and standards flow transparently across all three workstreams.

Workstream 1: Country case study on learner support services and model facilities

This workstream will establish the empirical baseline, with particular emphasis on analyzing how digital innovations in Learner Support Services (LSS) are transforming identification, referral, and support pathways in practice.

Task 1.1: Multi-Sectoral Policy Triangulation

Map institutional workflows under the 2025 National Disability Identification, Assessment, Determination, and Referral Framework against the statutory mandates of the Persons with Disabilities Act 2025, the Early Learning Policy (2023), and the Education Amendment Act (2020), with attention to how digital learner profiling systems are positioned within these frameworks and assess how MIIEF is positioned as an operational model within these frameworks, including its alignment with learner support services and inclusive education mandates

Task 1.2: Intersectional Field Sampling Design.
In collaboration with MOPSE and UNICEF, select three target provinces (for example, Manicaland to capture high numbers of children not on track, a province with a dense concentration of satellite/rural schools, and an urban/informal center). The sample must encompass formal registered schools, satellite facilities, unregistered community learning centers, and active MIIEF sites, ensuring representation of contexts with varying levels of access to digital tools and connectivity.

Task 1.3: Mixed-Methods Primary Field Diagnostics

Conduct infrastructure accessibility audits of selected infant classrooms including MIIEF facilities as benchmarks for inclusive infrastructure, services and WASH blocks utilizing universal design checklists

to quantify physical barriers.

Execute Key Informant Interviews (KIIs) and Focus Group Discussions (FGDs) with School Heads, Remedial Tutors, Infant School Teachers, School Inspectors, caregivers, and Organizations of Persons with Disabilities (OPDs).

Trace the #Identify#Refer#Support#enroll” pathway, including:

#Practical application of the Washington Group CFM at school level;

#Use of digital learner profiling tools by teachers;

#Flow of children through health, rehabilitation, and social protection services (e.g., BEAM);

#Identification of systemic attrition points, including data flow and referral bottlenecks.

Task 1.4: Analytical Reporting (LSS Digital Systems Case Study)

Draft a high-quality, publishable Country Case Study examining the transformation of Zimbabwe’s Learner Support Services (LSS), with a specific focus on the transition from paperbased to digital, offline-enabled learner profiling systems and the role of Model Inclusive Early Education Facilities (MIEEF) as demonstration platforms for integrated, inclusive service delivery.

The case study will:

Analyze how mobile, teacher-administered tools (Kobo Toolbox) have improved the efficiency, scale, and usability of learner profiling, particularly for early identification of children with special educational needs including their application and effectiveness within MIEEF sites as early adopters and implementation hubs;

Assess:

#Effectiveness of teacher-led digital screening in real school conditions with comparative analysis between MIEEF and non-MIEEF settings;

#Use and integration of profiling data within EMIS/TDIS for decision-making, referrals, and resource allocation;

#Implementation experiences across diverse contexts (rural, low-connectivity, resourceconstrained), including infrastructure, device access, and ICT capacity;

#Contribution of design features (offline functionality, simplified tools, cascading training models) to adoption at scale;

Document key operational successes, bottlenecks, and mitigation strategies, with particular attention to gender and rural inclusion, especially for girls with disabilities and how MIEEF contributes to addressing intersectional exclusion;

Generate actionable lessons and recommendations to inform the scaling, sustainability, and replication of digital learner profiling systems within Zimbabwe and comparable low-resource settings including the strategic role of MIEEF as a scalable model for integrating digital LSS tools with inclusive service delivery systems.

Workstream 2: National ECE accountability tracker for quality inclusive education

This workstream converts the operational findings from Workstream 1 into a national governance tool to monitor inclusive ECE system performance and strengthen accountability embedding MIEEF standards into national monitoring systems.

Task 2.1: Matrix Conceptualization via Rights-Based Systems Lens:

Formulate a monitoring matrix structured around the four dimensions of a rights-based system: Access, Workforce Capacity, Infrastructure, and Financing Architecture.

Task 2.2: Indicator Formulation (SMART Compliance Indicators): Co-develop indicators with MOPSE that measure state performance and legal compliance with the Persons with

Disabilities Act 2025. Indicators must explicitly incorporate:

#Financing: Tracking specific budget lines and tags for non-wage inclusion inputs (AT procurement, inclusive teaching and learning materials - TLMs).

#Data Systems: Degree of EMIS integration with the Washington Group CFM fields.
 #Workforce: Percentage of teachers completing cluster-based continuous professional development (CPD) in inclusive pedagogy and UDL.
 #Infrastructure: Proportions of facilities meeting statutory accessibility and disability-responsive WASH standards.

Task 2.3: Dashboard Prototyping and Technology Alignment:
 Build a user-friendly, automated tracking dashboard (Excel or software-based platform) designed to integrate with MOPSE's existing EMIS data collection schedule.

Task 2.4: Sub-National Piloting and Validation: Conduct field testing of the prototype tracker tool with district-level officials, including School Inspectors, Educational Psychologists, and Remedial Tutors, to evaluate usability, verify data sources, and ensure localized institutional ownership.

Task 2.5: Guideline Formulation:
 Produce a step-by-step Institutionalization Guidance Note to govern the annual deployment, data verification, and policy use of the tracker.

Workstream 3: Disability-inclusive investment case and policy briefs.
 This workstream uses the benchmarks from Workstream 2 and the Model Inclusive Early Education Facilities (MIEEF) as operational reference sites to perform macroeconomic costing and financial simulations for scaling inclusive ECE in Zimbabwe

Task 3.1: Financial Definition and Costing of the "Minimum Inclusive ECD Package": Using the quality benchmarks established in Workstream 2 and validated through MIEEF demonstration sites, define the financial inputs required per school/per learner (e.g., cost of UDL-compliant TLMS, unit costs for cluster coaching modules, capital requirements for WASH retrofitting, and standardized assistive technology packages, drawing on MIEEF implementation experience). Utilize activity-based costing methodologies to establish costed scenarios for national scaling (e.g., low, medium, and full scaling options over 5 years). Conduct comparative costing between MIEEF and non-MIEEF setting (drawing on Workstream 1 findings to identify cost drivers, efficiency gains, and scalability considerations).

Task 3.2: Macroeconomic "Cost of Inaction" Modeling: Develop an economic simulation model demonstrating the long-term national costs of continuing with exclusionary preprimary patterns using MIEEF as a proxy model for inclusive system impact.

The simulation must project the multi-generational macroeconomic impacts of early exclusion, including:

- #Loss of lifetime human capital accumulation and individual earnings potential.
- #The intergenerational transmission of poverty within households.
- #Escalating financial dependency ratios and long-term strains on state social protection budgets (e.g., future disability grants and health assistance).
- #The macroeconomic productivity loss resulting from caregivers (disproportionately women) being excluded from the labor force to provide non-formal support Etc.

Task 3.3: Public Finance for Children (PF4C) Fiscal Space Analysis: Analyze Zimbabwe's current Medium-Term Expenditure Framework (MTEF) to identify viable financing options to expand funding. Map concrete strategies, including equity-weighted school financing formulas, resource pooling with international vertical funds (e.g., GPE, Education Cannot Wait), foundations, and public-private partnerships tailored to assistive technology supply chains.

Task 3.4: Formulation of Core Technical Reports and Strategic Advocacy Briefs:

This task focuses on consolidating the analytical outputs from the previous workstreams into high-quality technical reports and targeted advocacy products that translate evidence and financial

analysis into actionable policy guidance for government and stakeholders.

#Produce a comprehensive Disability-Inclusive ECE Investment Case

Report containing all costing sheets and econometric models.

#Develop Policy Brief 1 (Targeting MOFEDIP): Frame inclusive ECE as a high-return macroeconomic investment that reduces long-term social assistance dependency and enhances national labor productivity.

#Develop Policy Brief 2 (Targeting government, International Cooperating Partners and Private Sector): Focus on resource mobilization, aid effectiveness, compliance with the 2025 Act, and opportunities for co-financing systemic inputs (e.g., GPE matchfunding) and foundations.

In the event of a breach of any of these provisions, UNICEF is entitled to disqualify the Proposer from this solicitation process and/or any other solicitation process, and to terminate any Purchase Order that may have been awarded as a result of this solicitation process, immediately upon notice to the Proposer, without any liability for termination charges or any liability of any kind. In addition, the Proposer may be precluded from doing business with UNICEF and any other entity of the United Nations System in the future.

4.1 From time to time, UNICEF may conduct audits or investigations relating to any aspect of a Purchase Order awarded in relation to this Solicitation Document, including but not limited to the award of the Purchase Order and the Proposer's compliance with the provisions of Article 3 above. The Proposer will provide its full and timely cooperation with any such audits or investigations, including (but not limited to) making its personnel and any relevant data and documentation available for the purposes of such audits or investigations, at reasonable times and on reasonable conditions, and granting UNICEF and those undertaking such audits or investigations access to the Proposer's premises at reasonable times and on reasonable conditions in connection with making

its personnel and any relevant data and documentation available. The Proposer will require its sub-contractors and its agents to provide reasonable cooperation with any audits or investigations carried out by UNICEF.

GENERAL TERMS AND CONDITIONS

GENERAL TERMS AND CONDITIONS OF CONTRACT (Goods)

Definitions and UNICEF Supply Website

1.1 In these General Terms and Conditions (Goods), the following terms have the following meaning:

"Affiliates" means, with respect to the Supplier, any of its corporate affiliates or associates, including parent entities, subsidiaries, and other entities in which it owns a substantial interest.

"Confidential Information" means information or data that is designated as confidential at the time of exchange between the Parties or promptly identified as confidential in writing when furnished in intangible form or disclosed orally, and information, the confidential or proprietary nature of which is or should be reasonably apparent from the inherent nature, quality or characteristics of such information.

"Consignee" means the consignee designated in the Contract.

"Contract" means the purchase contract that incorporates these General Terms and Conditions (Goods). It includes purchase orders issued by UNICEF, whether or not they are issued under a long-term arrangement or similar contract.

"Goods" means the goods specified in the relevant section of the Contract.

"Host Government" means a Government with which UNICEF has a programme of development cooperation, and includes a Government of a country in which UNICEF provides humanitarian assistance.

"INCOTERMS" means the international commercial terms known as the INCOTERMS rules, issued by the International Chamber of Commerce, most-recently issued at the effective date of the Contract. References in the Contract to trade terms (such as "FCA", "DAP" and "CIP") are references to those terms as defined by the INCOTERMS.

"Parties" means the Contractor and UNICEF together and a "Party" means each of the Contractor and UNICEF.

Supplier's "Personnel" means the Supplier's officials, employees, agents, individual sub-contractors and other representatives.

"Price" is defined in Article 3.1.

"Supplier" is the supplier named in the Contract.

"UNICEF Supply Website" means UNICEF's public access webpage available at http://www.unicef.org/supply/index_procurement_policies.html, as may be updated from time to time.

1.2 These General Terms and Conditions of Contract, UNICEF's Policy Prohibiting and Combatting Fraud and Corruption, UNICEF's Policy on Safeguarding (as updated from time to time), the UN Supplier Code of Conduct, and UNICEF's Information Disclosure Policy referred to in the Contract, as well as other policies applicable to the Supplier, are publicly available on the UNICEF Supply Website. The Supplier represents that it has reviewed all such policies as of the effective date of the Contract.

2. Delivery; Inspection; Risk of Loss

2.1 The Supplier will deliver the Goods to the Consignee at the place and within the time period for delivery stated in the Contract. The Supplier will comply with the INCOTERM or similar trade term expressly stated in the Contract as applying to the Goods to be supplied under the Contract and all other delivery terms and instructions stated in the Contract. Notwithstanding any INCOTERM, the Supplier will obtain any export licences required for the Goods. The Supplier will ensure that UNICEF receives all necessary transport documents in a timely manner so as to enable UNICEF or the Consignee (if different to UNICEF) to take delivery of the Goods in accordance with the requirements of the Contract. The Supplier will neither seek nor accept instructions from any entity other than UNICEF (or entities authorized by UNICEF to give instructions to the Supplier) in connection with the supply and delivery of the Goods.

2.2 The Supplier will use its best efforts to accommodate reasonable requests for changes (if any) to the requirements for the Goods (such as packaging, packing and labeling requirements), shipping instructions or delivery date of the Goods set out in the Contract. If UNICEF requests any material change to the requirements for the Goods, shipping instructions or delivery date, UNICEF and the Supplier will negotiate any necessary changes to the Contract, including as to Price and the time schedule. Any such agreed changes will become effective only when they are set out in a written amendment to the Contract signed by both UNICEF and the Supplier. Should the Parties fail to agree on any such changes within thirty (30) days, UNICEF will have the option to terminate the Contract without penalty notwithstanding any other provision of the Contract.

2.3 The Supplier acknowledges that UNICEF may monitor the Supplier's performance under the Contract. The Supplier agrees to provide its full cooperation with such performance monitoring, at no additional cost or expense to UNICEF, and provide relevant information as reasonably requested by UNICEF, including, but not limited to, the date of receipt of the Contract, detailed delivery status, costs to be charged and payments made by UNICEF or pending.

Inspection

2.4 UNICEF or the Consignee (if different from UNICEF) will have a reasonable time to inspect the Goods after delivery. At UNICEF's request, the Supplier will provide its reasonable cooperation to UNICEF or the Consignee with regard to such inspection, including but not limited to access to production data, at no charge. The Supplier acknowledges that any inspection of the Goods by or on behalf of UNICEF or the Consignee does not constitute a determination that the specifications for the Goods set out in the Contract (including the mandatory technical requirements) have or have not been met. The Supplier will be required to comply with its warranty and other contractual obligations whether or not UNICEF or the Consignee carries out an inspection of the Goods.

Delivery not Acceptance; Consequences of Delayed Delivery and Non-conforming Goods

2.5 If the Supplier determines it will be unable to deliver all or some of the Goods to the Consignee by the delivery date(s) stipulated in the Contract, the Supplier will (a) immediately consult with UNICEF to determine the most expeditious means for delivering the Goods; and (b) use an expedited means of delivery, at the Supplier's cost (unless the delay is due to force majeure as defined in Article 6.7 below), if reasonably requested by UNICEF to do so. Partial deliveries of Goods will not be accepted unless prior written approval for such partial delivery has been given by UNICEF to the Supplier.

2.6 Delivery of the Goods will not constitute acceptance of the Goods. If some or all of the Goods do not conform to the requirements of the Contract or if the Supplier delivers the Goods late or fails to deliver the Goods (or any part of the Goods) in accordance with the agreed delivery dates and delivery terms and instructions, UNICEF may, without prejudice to any of its other rights and remedies, exercise one or more of the following rights under the Contract at UNICEF's option:

(a) UNICEF can reject and refuse to accept any or all of the Goods (including those that do conform to the Contract). If UNICEF rejects the Goods, the Supplier will, at its own cost, arrange for the prompt return of the rejected Goods and, at UNICEF's option, the Supplier will promptly replace the rejected Goods with Goods of equal or better quality (and will be responsible for all costs related to such replacement) or UNICEF may exercise its other rights set out below;

(b) UNICEF may procure all or part of the Goods from other sources, in which case the Supplier will be responsible for any additional costs beyond the balance of the Price for such Goods;

(c) Upon UNICEF's demand, the Supplier will refund all payments (if any) made by UNICEF in respect of the rejected Goods or the Goods that have not been delivered in accordance with the delivery dates and delivery terms;

(d) UNICEF can give written notice of breach and, if the Supplier fails to remedy the breach, can terminate the Contract in accordance with Article 6.1 below;

(e) UNICEF can require the Supplier to pay liquidated damages as set out in the Contract.

2.7 Further to Article 11.6 below, the Supplier expressly acknowledges that if, in respect of any consignment, UNICEF takes delivery of all or some of the Goods that have been delivered late or otherwise not in full compliance with the delivery terms and instructions or that are not in full conformity with the requirements of the Contract, this does not constitute a waiver of UNICEF's rights in respect of such late delivery or non-compliant Goods.

Risk of Loss; Title to Goods

2.8 Risk of loss, damage to or destruction of Goods supplied under the Contract, and responsibility for arranging and paying for freight and insurance, will be governed by the INCOTERM or similar trade term expressly stated in the Contract as applying to the Goods supplied under the Contract and any other express terms of the Contract. In the absence of any such INCOTERM or similar trade term or other express terms, the following provisions will apply: (a) the entire risk of loss, damage to or destruction of the Goods will be borne exclusively by the Supplier until physical delivery of the Goods to the Consignee has been completed in accordance with the Contract; and (b) the Supplier will be solely liable for making all transport arrangements and for payment of freight and insurance costs for the shipment and delivery of the Goods in accordance with the requirements of the Contract.

2.9 Unless otherwise expressly provided in the Contract, title in and to the Goods will pass from the Supplier to the Consignee upon delivery of the Goods in accordance with the applicable delivery terms and acceptance of the Goods in accordance with the Contract.

ANNEX A

GENERAL TERMS AND CONDITIONS

3. Price; Invoicing; Tax Exemption; Payment Terms

3.1 The price for the Goods is the amount specified in the price section of the Contract (the "Price"), it being understood that such amount is specified in United States dollars unless otherwise expressly provided for in the price section of the Contract. The Price includes the cost of packaging and packing the Goods in accordance with the requirements of the Contract and delivery in accordance with the applicable delivery terms. The Price is inclusive of all costs, expenses, charges or fees that the Supplier may incur in connection with the performance of its obligations under the Contract; provided that, without prejudice to or limiting the provisions of Article 3.3 below, all duties and other taxes imposed by any authority or entity must be separately identified. It is understood and agreed that the Supplier will not request any change to the Price after delivery of the Goods by the Supplier and that the Price cannot be changed except by written agreement between the Parties before the Goods are delivered.

3.2 The Supplier will issue invoices to UNICEF only after the Supplier has fulfilled the delivery terms of the Contract. The Supplier will issue (a) one (1) invoice in respect of the payment being sought, in the currency specified in the Contract and in English, indicating the Contract identification number listed on the front page of the Contract; and (b) copies of the shipping documents and other supporting documents as specified in the Contract.

3.3 The Supplier authorizes UNICEF to deduct from the Supplier's invoices any amount representing direct taxes (except charges for utilities services) and customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for UNICEF's official use, in accordance with the exemption from tax in Article II, Section 7 of the Convention of the Privileges and Immunities of the United Nations, 1946. In the event any governmental authority refuses to recognize this exemption from taxes, restrictions, duties or charges, the Supplier will immediately consult with UNICEF to determine a mutually acceptable procedure. The Supplier will provide full cooperation to UNICEF with regard to securing UNICEF's exemption from, or refund of amounts paid as, value-added taxes or taxes of a similar nature.

3.4 UNICEF will notify the Supplier of any dispute or discrepancy in the content or form of any invoice. With respect to disputes regarding only a portion of such invoice, UNICEF will pay the Supplier the amount of the undisputed portion in accordance with Article 3.5 below. UNICEF and the Supplier will consult in good faith to promptly resolve any dispute with respect to any invoice. Upon resolution of such dispute, any amounts that have not been charged in accordance with the Contract will be deducted from the invoice(s) in which they appear and UNICEF will pay any agreed remaining items in the invoice(s) in accordance with Article 3.5 within thirty (30) days after the final resolution of such dispute.

3.5 UNICEF will pay the uncontested amount of the Supplier's invoice within thirty (30) days of receiving both the invoice and the shipping documents and other supporting documents, as referred to in Article 3.2 above. The amount paid will reflect any discount(s) shown under the payment terms of the Contract. The Supplier will not be entitled to interest on any late payment or any sums payable under the Contract nor any accrued interest on payments withheld by UNICEF in connection with a dispute. Payment will not relieve the Supplier of its obligations under the Contract. Payment will not be deemed acceptance of the Goods or waiver of any rights with regard to the Goods.

3.6 Each invoice will confirm the Supplier's bank account details provided to UNICEF as part of the Supplier's registration process with UNICEF. All payments due to the Supplier under the Contract will be made by electronic funds transfer to that bank account. It is the Supplier's responsibility to ensure that the bank details supplied by it to UNICEF are up-to-date and accurate and notify UNICEF in writing by an authorized representative of the Supplier of any changes in bank details together with supporting documentation satisfactory to UNICEF.

3.7 The Supplier acknowledges and agrees that UNICEF may withhold payment in respect of any invoice if, in UNICEF's opinion, the Supplier has not performed in accordance with the terms and conditions of the Contract, or if the Supplier has not provided sufficient documentation in support of the invoice.

3.8 UNICEF will have the right to set off against any amount or amounts due and payable by UNICEF to the Supplier under the Contract, any payment, indebtedness or other claim (including, without limitation, any overpayment made by UNICEF to the Supplier) owing by the Supplier to UNICEF under the Contract or under any other contract or agreement between the Parties. UNICEF will not be required to give the Supplier prior notice before exercising this right of set-off (such notice being waived by the Supplier). UNICEF will promptly notify the Supplier after it has exercised such right of set-off, explaining the reasons for such set-off, provided however that the failure to give such notification will not affect the validity of such set-off.

3.9 Each of the invoices paid by UNICEF may be subject to a post-payment audit by UNICEF's external and internal auditors or by other authorised agents of UNICEF, at any time during the term of the Contract and for three (3) years after the Contract terminates. UNICEF will be entitled to a refund from the Supplier of amounts such audit or audits determine were not in accordance with the Contract regardless of the reasons for such payments (including but not limited to the actions or inactions of

UNICEF staff and other personnel).

4. Representations and Warranties; Indemnification; Insurance

Representations and Warranties

4.1 The Supplier represents and warrants that as of the effective date and throughout the term of the Contract: (a) it has the full authority and power to enter into the Contract and to perform its obligations under the Contract and the Contract is a legal, valid and binding obligation, enforceable against it in accordance with its terms; (b) it has, and will maintain throughout the term of the Contract, all rights, licenses, authority and resources necessary, as applicable, to develop, source, manufacture and supply the Goods and to perform its other obligations under the Contract; (c) all of the information concerning the Goods and the Supplier that it has previously provided to UNICEF, or that it provides to UNICEF during the term of the Contract, is true, correct, accurate and not misleading; (d) it is financially solvent and is able to supply the Goods to UNICEF in accordance with the terms and conditions of the Contract; (e) the use or supply of the Goods does not and will not infringe any patent, design, trade-name or trade-mark; (f) it has not and will not enter into any agreement or arrangement that restrains or restricts any person's rights to use, sell, dispose of or otherwise deal with the Goods; and (g) the development, manufacture and supply of the Goods is, and will continue to be, in compliance with all applicable laws, rules and regulations. The Supplier will fulfill its commitments with the fullest regard to the interests of UNICEF and will refrain from any action which may adversely affect UNICEF or the United Nations.

4.2 The Supplier further represents and warrants that the Goods (including packaging): (a) conform to the quality, quantity and specifications for the Goods stated in the Contract (including, in the case of perishable or pharmaceutical products, the shelf life specified in the Contract); (b) conform in all respects to the technical documentation provided by the Supplier in respect of such Goods and, if samples were provided to UNICEF prior to entering into the Contract, are equal and comparable in all respects to such samples; (c) are new and factory-packed; (d) are fit for the purposes for which such goods are ordinarily used and for purposes expressly made known to the Supplier by UNICEF in the Contract; (e) are of consistent quality and free from faults and defects in design, manufacture, workmanship and materials; (f) are free from all liens, encumbrances or other third party claims; and (g) are contained or packaged in accordance with the standards of export packaging for the type and quantities of the Goods specified in the Contract, and for the modes of transport of the Goods specified in the Contract (including but not limited to, in a manner adequate to protect them in such modes of transport), and marked in a proper manner in accordance with the instructions stipulated in the Contract and applicable law.

4.3 The warranties provided in Article 4.2 will remain valid for the warranty period specified in the Contract; provided that (a) the warranty period for pharmaceutical goods or other perishable products will be no less than the shelf-life of those Goods specified in the Contract; and (b) if no warranty period or shelf-life is specified in the Contract, the warranties will remain valid from the date the Supplier signs the Contract until the day twelve (12) months after fulfillment of the delivery terms or such later date as may be prescribed by law.

4.4 If the Supplier is not the original manufacturer of the Goods or any part of the Goods, the Supplier assigns to UNICEF (or, at UNICEF's instructions, the Government or other entity that receives the Goods) all manufacturers' warranties in addition to any other warranties under the Contract.

4.5 The representations and warranties made by the Supplier in Articles 4.1 and 4.2 and the Supplier's obligations in Articles 4.3 and 4.4 above are made to and are for the benefit of (a) each entity that makes a direct financial contribution to the purchase of Goods; and (b) each Government or other entity that receives the Goods.

Indemnification

4.6 The Supplier will indemnify, hold and save harmless and defend, at its own expense, UNICEF, its officials, employees, consultants and agents, each entity that makes a direct financial contribution to the purchase of the Goods and each Government or other entity that receives the Goods, from and against all suits, claims, demands, losses and liability of any nature or kind, including their costs and expenses, by a third party and arising out of the acts or omissions of the Supplier or its Personnel or sub-contractors in the performance of the Contract. This provision will extend to but not be limited to (a) claims and liability in the nature of workers' compensation; (b) product liability; and (c) any actions or claims pertaining to the alleged infringement of a patent, design, trade-name or trade-mark arising in connection with the Goods or other liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property provided or licensed to UNICEF under the Contract or used by the Supplier, its Personnel or sub-contractors in the performance of the Contract.

4.7 UNICEF will report any such suits, proceedings, claims, demands, losses or liability to the Supplier within a reasonable period of time after having received actual notice. The Supplier will have sole control of the defence, settlement and compromise of any such suit, proceeding, claim or demand except with respect to the assertion or defence of the privileges and immunities of UNICEF or any matter relating to UNICEF's privileges and immunities (including matters relating to UNICEF's relations with Host Governments), which as between the Supplier and UNICEF, only UNICEF itself (or relevant

ANNEX A

GENERAL TERMS AND CONDITIONS

governmental entities) will assert and maintain. UNICEF will have the right, at its own expense, to be represented in any such suit, proceeding, claim or demand by independent counsel of its own choosing.

Insurance

4.8 The Supplier will comply with the following insurance requirements:

(a) The Supplier will have and maintain in effect with reputable insurers and in sufficient amounts, insurance against all of the Supplier's risks under the Contract (including, but not limited to, the risk of claims arising out of or related to the Supplier's performance of the Contract), including the following:

(i) Insurance against all risks in respect of its property and any equipment used for the performance of the Contract;

(ii) General liability insurance against all risks in respect of the Contract and claims arising out of the Contract including, but not limited to, product liability insurance, in an adequate amount to cover all claims arising from or in connection with the Supplier's performance under the Contract. The Supplier's product liability insurance will cover the direct and indirect financial consequences of liability (including all costs, including replacement costs, related to recall campaigns) sustained by UNICEF or third parties as a result of or relating to the Goods;

(iii) All appropriate workers' compensation and employer's liability insurance, or its equivalent, with respect to its Personnel and sub-contractors to cover claims for death, bodily injury or damage to property arising from the performance of the Contract; and

(iv) Such other insurance as may be agreed upon in writing between UNICEF and the Supplier.

(b) The Supplier will maintain the insurance coverage referred to in Article 4.8(a) above during the term of the Contract and for a period after the Contract terminates extending to the end of any applicable limitations period with regard to claims against which the insurance is obtained.

(c) The Supplier will be responsible to fund all amounts within any policy deductible or retention.

(d) Except with regard to the insurance referred to in paragraph (a)(iii) above, the insurance policies for the Supplier's insurance required under this Article 4.8 will (i) name UNICEF as an additional insured; (ii) include a waiver by the insurer of any subrogation rights against UNICEF; and (iii) provide that UNICEF will receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage.

(e) The Supplier will, upon request, provide UNICEF with satisfactory evidence of the insurance required under this Article 4.8.

(f) Compliance with the insurance requirements of the Contract will not limit the Supplier's liability either under the Contract or otherwise.

Liability

4.9 The Supplier will pay UNICEF promptly for all loss, destruction or damage to UNICEF's property caused by the Supplier's Personnel or sub-contractors in the performance of the Contract.

5. Intellectual Property and Other Proprietary Rights; Confidentiality

Intellectual Property and Other Proprietary Rights

5.1 Unless otherwise expressly provided for in the Contract:

(a) Subject to paragraph (b) of this Article 5.1, UNICEF will be entitled to all intellectual property and other proprietary rights with regard to products, processes, inventions, ideas, know-how, data or documents and other materials ("Contract Materials") that (i) the Supplier develops for UNICEF under the Contract and which bear a direct relation to the Contract or (ii) are produced, prepared or collected in consequence of, or during the course of, the performance of the Contract. The term "Contract Materials" includes, but is not limited to, all maps, drawings, photographs, plans, reports, recommendations, estimates, documents developed or received by, and all other data compiled by or received by, the Supplier under the Contract. The Supplier acknowledges and agrees that Contract Materials constitute works made for hire for UNICEF. Contract Materials will be treated as UNICEF's Confidential Information and will be delivered only to authorized UNICEF officials on expiry or termination of the Contract.

(b) UNICEF will not be entitled to, and will not claim any ownership interest in, any intellectual property or other proprietary rights of the Supplier that pre-existed the performance by the Supplier of its obligations under the Contract, or that the Supplier may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract. The Supplier grants to

UNICEF a perpetual license to use such intellectual property or other proprietary rights solely for the purposes of and in accordance with the requirements of the Contract.

(c) At UNICEF's request, the Supplier will take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring (or, in the case, intellectual property referred to in paragraph (b) above, licensing) them to UNICEF in compliance with the requirements of the applicable law and of the Contract.

Confidentiality

5.2 Confidential Information that is considered proprietary by either Party or that is delivered or disclosed by one Party ("Discloser") to the other Party ("Recipient") during the course of performance of the Contract will be held in confidence by the Recipient. The Recipient will use the same care and discretion to avoid disclosure of the Discloser's Confidential Information as the Recipient uses for its own Confidential Information and will use the Discloser's Confidential Information solely for the purpose for which it was disclosed to the Recipient. The Recipient will not disclose the Discloser's Confidential Information to any other party:

(a) except to those of its Affiliates, employees, officials, representatives, agents and sub-contractors who have a need to know such Confidential Information for purposes of performing obligations under the Contract; or

(b) unless the Confidential Information (i) is obtained by the Recipient from a third party without restriction; (ii) is disclosed by the Discloser to a third party without any obligation of confidentiality; (iii) is known by the Recipient prior to disclosure by the Discloser; or (iv) at any time is developed by the Recipient completely independently of any disclosures under the Contract.

5.3 If the Supplier receives a request for disclosure of UNICEF's Confidential Information pursuant to any judicial or law enforcement process, before any such disclosure is made the Supplier (a) will give UNICEF sufficient notice of such request in order to allow UNICEF to have a reasonable opportunity to secure the intervention of the relevant national Government to establish protective measures or take such other action as may be appropriate; and (b) will so advise the relevant authority that requested disclosure. UNICEF may disclose the Supplier's Confidential Information to the extent required pursuant to resolutions or regulations of its governing bodies.

5.4 Subject to Article 5.3, the Supplier may not communicate at any time to any other person, Government or authority external to UNICEF, any information known to it by reason of its association with UNICEF that has not been made public, except with the prior authorization of UNICEF; nor will the Supplier at any time use such information to private advantage.

End of Contract

5.5 Upon the expiry or earlier termination of the Contract, the Supplier will:

(a) return to UNICEF all of UNICEF's Confidential Information or, at UNICEF's option, destroy all copies of such information held by the Supplier or its sub-contractors and confirm such destruction to UNICEF in writing; and

(b) will transfer to UNICEF all intellectual and other proprietary information in accordance with Article 5.1(a).

6. Termination; Force Majeure

Termination by Either Party for Material Breach

6.1 If one Party is in material breach of any of its obligations under the Contract, the other Party can give it written notice that within thirty (30) days of receiving such notice the breach must be remedied (if such breach is capable of remedy). If the breaching Party does not remedy the breach within the thirty (30) days' period or if the breach is not capable of remedy, the non-breaching Party can terminate the Contract. The termination will be effective thirty (30) days after the non-breaching Party gives the breaching Party written notice of termination. The initiation of conciliation or arbitral proceedings in accordance with Article 9 (Privileges and Immunities; Settlement of Disputes) below will not be grounds for termination of the Contract.

Additional Termination Rights of UNICEF

6.2 In addition to the termination rights under Article 6.1 above, UNICEF can terminate the Contract with immediate effect upon delivery of a written notice of termination, without any liability for termination charges or any other liability of any kind:

(a) in the circumstances described in, and in accordance with, Article 7 (Ethical Standards); or

ANNEX A

GENERAL TERMS AND CONDITIONS

- (b) if the Supplier breaches any of the provisions of Articles 5.2-5.4 (Confidentiality); or
- (c) if the Supplier (i) is adjudged bankrupt, or is liquidated, or becomes insolvent, or applies for a moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent; (ii) is granted a moratorium or a stay, or is declared insolvent; (iii) makes an assignment for the benefit of one or more of its creditors; (iv) has a receiver appointed on account of the insolvency of the Supplier; (v) offers a settlement in lieu of bankruptcy or receivership; or (vi) has become, in UNICEF's reasonable judgment, subject to a materially adverse change in its financial condition that threatens to substantially affect the ability of the Supplier to perform any of its obligations under the Contract.

6.3 In addition to the termination rights under Articles 6.1 and 6.2 above, UNICEF can terminate the Contract at any time by providing written notice to the Supplier in any case in which UNICEF's mandate applicable to the performance of the Contract or UNICEF's funding applicable to the Contract is curtailed or terminated, whether in whole or in part. UNICEF can also terminate the Contract upon sixty (60) days' written notice to the Supplier without having to provide any justification.

6.4 As soon as it receives a notice of termination from UNICEF, the Supplier will immediately take steps to cease provision of the Goods in a prompt and orderly manner and to minimize costs and will seek instructions from UNICEF regarding Goods in transit (if any) and will not undertake any further or additional commitments as of and following the date it receives the termination notice. In addition, the Supplier will take any other action that may be necessary, or that UNICEF may direct in writing, for the minimization of losses and for the protection and preservation of any property (whether tangible or intangible) related to the Contract that is in the possession of the Supplier and in which UNICEF has or may be reasonably expected to acquire an interest.

6.5 If the Contract is terminated, no payment will be due from UNICEF to the Supplier except for Goods delivered in accordance with the requirements of the Contract and only if such Goods were ordered, requested or otherwise provided prior to the Supplier's receipt of notice of termination from UNICEF or, in the case of termination by the Supplier, the effective date of such termination. The Supplier will have no claim for any further payment beyond payments in accordance with this Article 6.5, but will remain liable to UNICEF for all loss or damages which may be suffered by UNICEF by reason of the Supplier's default (including but not limited to cost of the purchase and delivery of replacement or substitute goods).

6.6 The termination rights in this Article 6 are in addition to all other rights and remedies of UNICEF under the Contract.

"Force majeure" means any unforeseeable and irresistible events arising from causes beyond the control of the Parties, including acts of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism or other acts of a similar nature or force. (ii) During the two (2) year period after an official has separated from UNICEF, that former official may not, directly or indirectly on behalf of the Supplier, communicate with UNICEF, or present to UNICEF, about any matters that were within such former official's responsibilities while at UNICEF.

(c) The Supplier represents that, in respect of all aspects of the Contract (including the award of the Contract by UNICEF to the Supplier and the selection and awarding of sub-contracts by the Supplier), it has disclosed to UNICEF any situation that may constitute an actual or potential conflict of interest or could reasonably be perceived as a conflict of interest.

7.3 The Supplier further represents and warrants that neither it nor any of its Affiliates, or Personnel or directors, is subject to any sanction or temporary suspension imposed by any United Nations System organisation or other international inter-governmental organisation. 7.7 The Supplier represents and warrants that it has taken and will take all appropriate measures to prevent sexual exploitation or abuse of anyone by its Personnel including its employees or any persons engaged by the Supplier to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, will constitute the sexual exploitation and abuse of such person. In addition, the Supplier represents and warrants that it has taken and will take all appropriate measures to prohibit its Personnel including its employees or other persons engaged by the Supplier, from exchanging any money, goods, services, or other things of value, for sexual favours or activities or from engaging in any sexual activities that are exploitive or degrading to any person. This provision constitutes an essential term of the Contract and any breach of this representation and warranty will entitle UNICEF to terminate the Contract immediately upon notice to the Supplier, without any liability for termination charges or any other liability of any kind.

7.8 The Supplier will inform UNICEF as soon as it becomes aware of any incident or report that is inconsistent with the undertakings and confirmations provided in this Article 7.

If, however, UNICEF is not satisfied that the matters are being adequately addressed by the Supplier, UNICEF may at any time, exercise its right to terminate the Contract and any other contract between UNICEF and the Supplier.
